NINE-POWER TREATY OBSOLETE ACCORDING TO JAPANESE IDEAS

Foreign Office Spokesman Says Government Considering Formation of Tri-Power Pact With Manchukuo and New Chinese Regime—United States Cites Notice Served

TOKIO, Nov. 4 (AP).—Japan's Foreign Office spokesman today disclosed that Japan considers obsolete the Nine-Power Treaty, of which Great Britain and United States are signatories, guaranteeing the territorial integrity of China, and intimated Japan may denounce it.

The spokesman revealed Japan is considering replacement of the treaty, signed at Washington in 1922, with a new three-power pact among Japan, her puppet empire of Manchukuo and a new regime in China, envisioning displacement of the Chiang Kai-Shek Government.

Such a new pact ostensibly would be to guarantee China's territorial integrity after cessation of the present Japanese-Chinese war.

"Japan considers the Nine-Power Treaty obsolete. Whether we will denounce it or withdraw has not yet been decided," the spokesman said.

"The Government is examining the advantages of creation of a tri-power pact."

PUBLISH REMINDER

WASHINGTON, Nov. 3 (AP).—The United States State Department made public today a reminder that last year's Nine-Power Treaty conference had served notice that the final settlement of the Sino-Japanese war must be "satisfactory to the conference powers."

This reminder was a hitherto unpublished memorandum from Norman H. Davis, United States former ambassador-at-large, to State Secretary H. H..

Dated last December 16, it listed results of the conference which met in London.

TWO CONVICTED OF CONSPIRACY

Operators of Vancouver Nursing Home Found Guilty at Assizes

VANCOUVER, Nov. 3 (AP).—Andrew and Violet Goulding were convicted by a jury of conspiracy to defraud the public out of an estimated \$100,000, the jury heard today.

The jury deliberated three and a half hours. It submitted this rider to Mr. Justice Denis Murphy:

"My Lord, if permissible, we recommend that all advertisements offering a home for aged peoples should be investigated and that there should be some supervision of them."

REMAINDER FOR SENTENCE

The couple was remanded to the end of the Assizes for sentence.

Mr. and Mrs. Goulding were charged with conspiracy to defraud the public out of an estimated \$100,000, the jury heard today.

During the trial, the court moved to Miss Crawley's hospital room where the jury heard her testify she had ordered Mrs. Huntington's name to about thirty cheques for various amounts at the request of Mrs. Goulding.

Manion Files His Election Papers

LONDON, Ont., Nov. 3 (AP).—Official nomination papers for Hon. Dr. R. J. Manion, National Conservative leader and the party's candidate in the November 14 Federal by-election in London constituency, were filed today with Returning Officer Charles Ross. It is expected that E. Q. Hall, Co-operative Commonwealth Federation nominee, will be the only other entry.

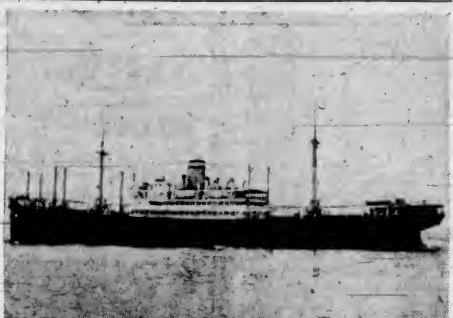

CAR CONDUCTOR HURT

Archie Kerr, 1134 Summit Avenue, was injured shortly after 12 o'clock last night when he was knocked down by a motor car at the intersection of Hillside Avenue and Quadra Street. He suffered head injuries and shock, and was taken to his home. His injuries were not considered serious.

Blast Wrecks Freighter

While passing through Oakland estuary yesterday, the Hamburg American Line S.S. W. Moessinger, of the ship, declared "looks suspicious." Four members of the crew were injured. The ship left British Columbia waters on October 25, and had ten Canadians aboard when she sailed—four from Vancouver Island. The passengers were ashore when the explosion occurred.

RESISTANCE TO CONTINUE

Angry Retort to Japan's Announcement Comes From Chinese Headquarters

CHUNGKING, China, Nov. 4 (AP).—Japan's announced intention of bringing China into an economic and political bloc from the domination of East Asia brought angry retorts from Generalissimo Chiang Kai-Shek's Government that China would continue resistance until Japan abandoned her policy of aggression and encroachment.

Members of the People's Political Council, now in session in China's newest provisional capital, said there was no hope of respectable compromise with Japan at present.

They also declared changes in the Government's personnel, suggested yesterday by the official statement in Tokyo of Japanese aims as necessary before Japan would treat with China for peace, could mean only the ousting of Chiang and substitution of a leader more amenable to the Japanese.

IS THE GOVERNMENT

This, Chinese leaders said, could not be considered, adding that "Chiang Kai-Shek is the Government."

A Chinese spokesman said the Tokyo statement declaring a "new order" would be created in the Far East was an attempt to "hoodwink the Western countries into the belief that Japan is fighting to protect the world from Communism."

"For fifteen months the world has witnessed how the Japanese have tried to create a new order—killing and bombing civilians," he said.

The spokesman asserted China was not averse to co-operating with Japan on an equal footing, "but Tokyo's offer in reality means the surrender of the sacred right to a free independent existence."

Indicted for Robbery of Years Ago

NEW YORK, Nov. 3 (AP).—Seven men and a woman were indicted today in connection with the \$428,000 holdup of an armored car at the Rubel Ice plant in Brooklyn in 1934—largest cash robbery in New York.

Six of the men were charged with participating in the holdup; the woman, a rooming-house proprietor, with harboring the gang afterward.

The woman was charged with doctoring, with treating one of the robbers for a shotgun wound incurred during the escape.

SAVED FROM SINKING

VALENCIA, Spain, Nov. 3 (AP).—The 2,881-ton British freighter Stanburn was saved from sinking in Valencia Harbor tonight when Spanish fishermen patched a large hole torn in the vessel's hull by an insurgent bomb.

B. C. Legislature Is Told "New Economy" Coming in Canada

Captain C. R. Bull Refers to Social Credit—L. H. Eyres Makes Able Plea for Domestic Markets—"Work and Wages" Recalled

SOCIAL credit found its way into the Provincial Legislature yesterday, being endorsed in a speech by Capt. C. R. Bull (Lib., South Okanagan), who predicted that "a new economy" would be in operation in Canada within two years' time.

Such a plan, he said, could operate only on a national scale, as futile provincial experiments in Canada had disclosed.

E. T. Kenney (Lib., Skeena), Leslie H. Eyres (Cons., Chilliwack) and Mark Connelly (Lib., Okimica), contributed to the main debate, with Tom Uphill (Labor, Fernie) adjourning argument for the day.

CAPT. C. R. BULL, M.P.P.—After mentioning the Social Credit and its failure in Alberta, Captain Bull said it was a disgrace that people living in a country as

Promises Rapid Upbuilding for Civilian Defence

War Secretary Hore-Belisha Pledged to Correct Deficiencies in Shortest Possible Time—Home Secretary Says System of Air Raid Precautions Second to Germany's Only

LONDON, Nov. 3 (AP).—Lessons of the September crisis fresh in mind, the British Government will embark on an enlarged civilian defence programme, with emphasis on splinter-proof shelters and general evacuation from overcrowded cities in case of war.

ORDERS CLOSING OF MONASTERY

German Authorities Arrest Nine Monks for Alleged Improper Conduct

INNSBRUCK, Germany, Nov. 3 (AP).—Nazi arrested nine Servite monks and "a great number of other citizens of Innsbruck" today in connection with a drive against alleged immorality.

An official statement issued by Joseph Buerckel, Commissioner for Austria, declared an "investigation by state police brought to light such immoral conditions in the monastery that it was impossible to divulge them to the public."

"The monastery is a den of vice of the first order, besides which the hostile attitude of monks, which was disclosed by documents recovered in the monastery, fades into the background," it said.

The Reich Commissioner has ordered immediate closing of the monastery on the basis of the investigation and far-reaching confessions of guilty persons.

Local Nazis followed the statement with suggestions that all similar institutions be closed for "protection" of the community.

The Servite monks are a mendicant order founded in 1233. The order was recognized by the Pope in 1304.

Edmonton Dons Its Winter Garb

EDMONTON, Nov. 3 (AP).—Edmonton today received its first Winter blanket. Fine, dry flakes began falling early this afternoon and tonight snow in the deep covered the city.

The first snow of the year fell on Monday in large, wet flakes that melted as soon as they touched the ground.

Mumps Bring Swift Death For Eskimos

OTTAWA, Nov. 3 (AP).—A mysterious disease which brought swift death to Eskimos of South Baffin Island, particularly in the district around Lake Harbor on Hudson Strait, has been diagnosed by Government physicians as mumps.

Radio and mailed instructions for treatment of the disease are being sent by the Department of Resources to Hudson's Bay Company and Royal Canadian Mounted Police posts in an effort to halt the disease's spread.

Police posts in an effort to halt the disease's spread, with few Eskimos resistance, caused several deaths in a population of 1,000 in five years.

Budget and Four-Day Adjournment Due Next Week

NEXT Wednesday will be budget day in the British Columbia Legislature, with a four-day adjournment to follow, if present plans mature. Hon. John Hart confirmed yesterday, after consultation with party whips. The House would have adjourned on Thursday in any event, due to the Remembrance Day holiday next day. The present plan is to bring down the budget on Wednesday, and then rise until Monday, November 14.

FIRES COVER WIDE FRONT

Kentucky, Illinois and the Virginias Report Worst Blaze in Years

By the Associated Press
Fire—Autumn tempest of woodland and prairie—raged last night through under-dry sections of the country.

Emergency calls went out for volunteers to bolster the sorely-pressed forestry crews in the Virginias, Kentucky and Illinois.

A pall of smoke hung over southern West Virginia as the worst fire menace in eight years spread through twelve counties. State Forester D. B. Griffin, after an airplane survey, reported the scene was "indescribable."

Flames in the southwest corner of Virginia crept into Kentucky to burn out more than a thousand acres and endanger coal mine tunnels. A forecast of rain and the absence of high and gave forestry officials confidence they could keep the situation in hand.

Augmented crews battled a stubborn blaze that advanced rapidly across acres of dry prairie and timber patches in southern Illinois.

TROOPS MAKING EARLY ADVANCE

Hungarian Force to Move At Dawn to Take Back Territory

BUDAPEST, Nov. 3 (AP).—Tens of thousands of Hungarian troops with full field equipment will start moving at dawn Saturday to take back war-lost territories from Czechoslovakia.

Medva, north of Gyor, and Doboz, north of Matyas Over in the Bratislava area—across the Czechoslovak frontier from Northwestern Hungary, will be in the first zone occupied of the estimated 4,875 square miles awarded Hungary by yesterday's Vienna arbitration agreement.

Soldiers using pontoon bridges will push a general advance all along the Danube on Sunday.

They will occupy the fortified city of Komarno, an important shipping centre, and the communities of Bacska, Tanco, Duna Szerdahely, Nagy Megyer and Parkany.

In Ruthenia, the easternmost province of Czechoslovakia they will occupy the Kiralyhelm district between the Vodor and Latorica Rivers and districts south of Beregszasz.

All areas awarded by the Vienna arbitrators. Foreign Ministers von Ribbentrop, of Germany, and Count Ciano, of Italy, will be taken over by November 10.

SETTLING DETAILS

VIENNA, Nov. 3 (AP).—A mixed Czechoslovak-Hungarian commission will begin tomorrow to settle final details of Czechoslovakia's new frontier with Hungary.

Its task, as provided in the Italian-German arbitration decision, will be to make rectifications, where necessary, of the line fixed by the mediation award.

The commission also will attempt to settle any differences arising from departure of Slovaks and Ruthenians and occupation by Hungarians of the sections of Slovakia and Ruthenian Czechoslovakia awarded to Hungary.

WATERWORKS BY-LAW PASSES FINAL READING

NANAIMO, Nov. 3 (AP).—The South Forks pipeline loan by-law, designed to borrow \$200,000 at 2 per cent interest, payable half yearly, from Dominion Minister of Finance, to review permanently seven miles of waterworks pipeline, passed its final reading at a special meeting of the City Council tonight.

A referendum will be placed before the ratepayers on November 14, with City Clerk H. Hackwood returning officer. The by-law also authorized the leasing of debentures for the amount at less than \$100 each.

Chosen Solicitor for City of Victoria

FORREST L. SHAW

WHO was appointed by the City Council as city solicitor, to fill the vacancy in the legal department of the City Hall to be caused by the approaching retirement of H. S. Pringle. Following the appointment by the council on Wednesday night, a committee of the council interviewed Mr. Shaw yesterday afternoon, when it was arranged that Mr. Shaw should commence duties on November 15.

Cannot Set Any Limit For Speed

QUEBEC, Nov. 3 (AP).—There is no limit to speed man can attain on land, water or in the air, Sir Malcolm Campbell, the world's speedboat king and once holder of the automobile speed record, said here today in a ship-board interview. He arrived on his way to Detroit on business.

The dapper sportsman said he was building a new speed boat to beat the record of 130.9 miles an hour he set recently in Switzerland.

BOARD TO PLAN FOR RECEPTION

Canada-Wide Committee to Be Set Up for Royal Tour Of Dominion

OTTAWA, Nov. 3 (AP).—The Canada-wide committee to be appointed to take charge of organizing the reception of the King and Queen during their tour of Canada early next summer probably will be but one of several special committees set up by the Government in connection with the visit.

A letter from Hon. Fernand Rinfret, State Secretary, to Mayor Lucien Borne of Quebec City disclosed a Canada-wide committee was planned.

A committee of officials from various Government departments concerned with the Royal visit is expected to be formed, and various other committees to look after specific details of the trip also will be established.

Details of the national committee will not be known until after Prime Minister Mackenzie King returns to Ottawa from his Southern cruise.

ARMIES ARE LOCKED IN GRIM FIGHT

SHANGHAI, Nov. 3 (AP).—Chinese and Japanese armies were reported tonight locked in struggle within a large triangular area bounded on two sides by the Yangtze River and Lake Poyang, and on the South by unconquered Kiangsi and Hunan provinces.

Both sides acknowledged heavy casualties as the Chinese sought to stem the Japanese advance toward two of the last provincial strongholds of General Chiang Kai-Shek.

Four Members of Crew Injured When Explosion Tears Great Hole in S.S. Vancouver—Three Victoria Persons Among Passengers, but All Reported Unharmed by Owners

Sabotage Strongly Suspected By Captain and Eye-Witnesses

OAKLAND, Cal., Nov. 3 (AP).—Authorities tonight investigated a mysterious explosion which ripped a hole in the hull of the Hamburg-American Line's steamship Vancouver nine days after she left Canadian waters, injuring at least four crew members and forcing the craft to be beached in the Oakland Estuary. Ten Canadians were aboard the freighter when she left Vancouver on October 25, but she carried only seven passengers and a crew of fifty-four at the time of the disaster. Another thirty passengers were waiting to board the vessel at San Francisco.

Police and District Attorney Earl Warren boarded the Vancouver late today to aid Captain E. W. Moessinger in determining the cause of the blast.

Captain Moessinger said the four members of the crew listed as injured were not hurt seriously. He did not state the nature of their injuries.

Two of the injured men were identified as Ivan Maranovsky, Hamburg, fourth assistant engineer, crushed hand and Albert Jungling, Hamburg, fireman, burned face and hands.

"LOOKS 'SUSPICIOUS'"
Captain Moessinger said the explosion looked "damned suspicious" and claimed a column of water shot up outside the vessel, on the starboard side, followed by the sound of the blast.

Chief Engineer C. Diederich declared the explosion blew a hole four feet square in the side of the ship, with the force of the blast forcing the plates inward, indicating an external cause. He said, from inside the ship the explosion sounded like a cannon shot, water flooded the fire and engine rooms, and the No. 4 hold immediately. The No. 5 and 6 holds were filling tonight he declared.

Harry A. Hulson, Donahew's mate on a coast guard boat, was one of the men on board.

PLANE CRASHES IN CHILLIWACK

Pilot Injured and Passenger Unhurt in Forced Landing on Street

CHILLIWACK, Nov. 3 (AP).—Eric Everfield was injured when the small monoplane which he was piloting crashed on the main street of this Fraser Valley town late today. Lewis Marriot, a passenger with Everfield, received only minor bruises and did not require hospital attention.

Everfield was taken to Chilliwack Hospital where attendants said he was suffering from concussion and had "a good chance" for recovery.

Witnesses said the plane appeared to develop engine trouble over the town and the pilot presumably made an attempt to glide to a landing on the main street.

LANDS ON GASOLINE PUMP
The machine cleared high tension wires, but the under-carriage tripped on telephone wires across the street and pancaked on top of a gasoline station pump with the nose of the plane hitting to the ground.

Bystanders pulled the two men from the plane. Everfield, thirty, and a holder of a private pilot's licence, was unconscious and rushed to hospital. Marriot was able to walk about.

Frank Edwards, manager of Chilliwack Airport, said an investigation would be held.

BODY OF BROKER TAKEN FROM BAY

William MacDougall, Disappeared From Yacht October 25—Was Head of Vancouver Firm

VANCOUVER, Nov. 3 (AP).—A body tentatively identified as that of William MacDougall, managing director of General Securities, who disappeared from his yacht here last October 25, was taken from the waters of English Bay by police tonight.

Fears for MacDougall's safety were felt when his thirty-two-foot auxiliary yacht, *Marlin 1*, was found overturned on the Killisnoe sound of English Bay on October 3. The Vancouver broker had set out in the sloop-rigged craft the day before.

When found the boat's engine was partly dismantled and one of the vessel's sails was in place but unhoisted. Police said they believed the owner had fallen overboard, and been pulled under by heavy rubber waders he wore.

BOARD SEEKS
ACCREDITING

Saanich School Trustees
Want Information From
Government

A delegation from the Saanich School Board, consisting of the chairman, Trustee Capt. Nathaniel Gray, and Trustees M. W. Dawson and Dr. S. F. Miles, will interview Dr. S. J. Willis, superintendent of education, with regard to receiving a temporary accrediting of the Saanich high schools, it was decided at a meeting held Wednesday evening.

The action of the board followed an interview with a delegation from the Mount Douglas Parent-Teacher Association, which complained that their high school was not an accredited institution due to the lack of proper equipment, in particular an auditorium.

Trustee Gray informed the delegation that Trustee Dawson had interviewed the Department of Education with regard to ascertaining whether Saanich's schools were accredited or not, and had been informed that a committee was investigating the matter, with the result that at the present time the board had no information on the status of any of the high schools in Saanich.

The P-T-A delegation comprised Norman C. Bell, Mrs. W. R. Steer, J. T. S. Wilson and J. P. Walker. They said that due to the lack of an auditorium at the school, there was no place for physical exercises and there was no possibility of community or social life for the students. Mr. Bell mentioned also that the commercial students were overcrowded, and suggested that an auditorium could be added to the school.

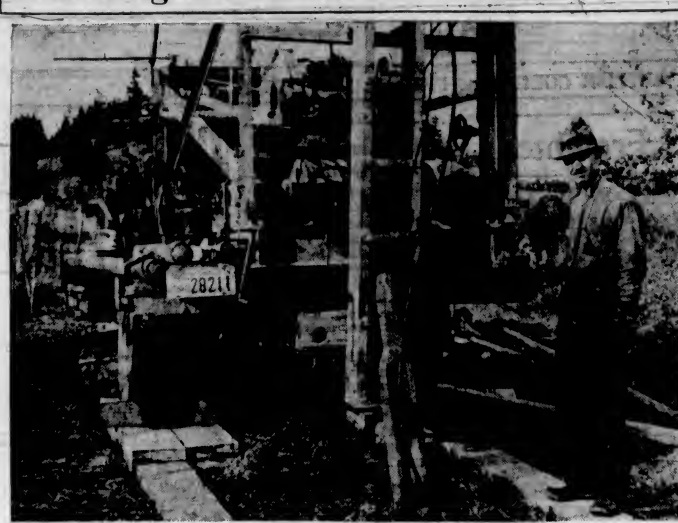

SYSTEM UNSATISFACTORY
Trustee Miles stated that if a central high school were established in the future, construction of an auditorium at Mount Douglas would be an unnecessary expenditure. The trustees agreed that the present school system was not satisfactory. Trustee E. C. Warren said the Provincial Government should take over the educational responsibilities in the municipality. The chairman added there were too many schools, and there should be an opinion if ratepayers wanted the junior high school system. However, it was the opinion of the board the people of Saanich did not want any increase in the school tax rate.

A second written request will be made to Inspector Albert Sullivan, following receipt of a communication, signed by parents of children attending the Mount View High School, wishing to know if French was being taught satisfactorily at that institution, the board decided. Approval was given by the board to a letter from the Remembrance Day committee requesting the distribution of poppies in the Saanich schools. A letter of appreciation will be sent to A. Balchelor, physical instructor of the Provincial Recreation Centres, thanking him for the use of physical training equipment which has been placed in Mount View High School.

SEEK FEDERAL CONTROL

WATERLOO, Alta., Nov. 3 (CP)—A meeting of Waterloo residents to discuss "secession" of Waterloo, Jasper and Banff National Parks from the Province of Alberta has been called for an early date here. Under the secession plan, the three parks would be taken out of the province and placed wholly under Federal control.

Drilling for Water in Saanich Area

Above is shown the equipment, operated by J. K. Whitney, Portland, which the Municipality of Saanich hopes will be the means of finding an underground supply of water in sufficient quantities to solve its water problem. R. J. Strosser, drilling expert, has been engaged by the council to sink a test well in the spot shown above on Raymond Street north, at a price of \$4.00 per foot for the first 500 feet and \$3.00 per foot after that. Mr. Whitney, who commenced drilling yesterday for Mr. Strosser, said the huge drill had penetrated twenty-five feet through the clay. However, when bedrock is struck, he expressed the opinion an average of eight feet a day would be all that could be expected. The drill is operated by a gasoline engine on a thirty-five-foot framework.

Accusations Levelled
Against Complainant
In Bren Gun Inquiry

Drew Charged With Attempting to "Burke"
Hearing and With Underhand Tactics in
Attempt to Involve Liberal Member

OTTAWA, Nov. 3 (CP)—Lieut.-Col. George Drew was charged with attempting to "burke" the Bren gun inquiry and with an underhand attempt to involve Hugh Plaxton, Liberal M.P. for Toronto-Trinity in the affairs of John Inglis Co., Limited, by Herbert A. W. Plaxton, who gave evidence at the inquiry today.

Mr. Plaxton said an accumulation of stenographers' old note books had been thrown out of the law office of Plaxton & Company in Toronto about the time Col. Drew's article in Maclean's Magazine appeared last August. This article attacked the contract under which the Inglis Company is to make 7,000 Bren machine guns for the Government and gave rise to the inquiry.

Sometimes later, Mr. Plaxton said, he learned that Gordon Balfour, Col. Drew's law partner, had approached charwomen employed in the office building and applied pressure to them in an attempt to obtain statements to the effect original documents of the Inglis Company had been torn up and thrown out and that in these documents appeared the names of his brothers, J. O. Plaxton, a law partner, and Hugh, the member of Parliament.

TENSION AT INQUIRY
Counsel and spectators who had listened to Mr. Plaxton's evidence throughout the day on the incorporation of the Inglis and other companies and on share transactions became tense as the witness lashed out at Col. Drew who was cross-examining him.

His statement was a long one, and afterwards Col. Drew said the only interviews that he and his partners had in connection with the inquiry were in the ordinary course of examining prospective witnesses for the probe.

Afterwards he told newspapermen there was no truth in Mr. Plaxton's charges and Mr. Balfour would be

called as a witness to disprove them. The incident started when Col. Drew asked: "Do you know Mr. Boylen?" (M. J. Boylen, a broker.)

"Yes," said Mr. Plaxton. "You were in his office on August 29?"

"I am glad you brought this up," said Mr. Plaxton, "in the past I think I have been something of a sportsman and a gentleman. I can't say the same for you."

UNDERHAND TACTICS
He then declared Col. Drew had made an attempt to "burke" the inquiry and accused him of underhand tactics. When Mr. Justice H. H. Davis, head of the inquiry, attempted to halt him he declared: "I have a reputation to defend and I intend to do it."

"You do know there were three boxes of torn-up papers and books moved from your office to Mr. Boylen's office and that Mr. Boylen spoke to you about it?" continued Col. Drew.

Mr. Plaxton said he did not know it at the time, but he "learned" that Mr. Balfour had been after the charwomen on our floor and had obtained statements under pressure from these women or had attempted to compel these ignorant women to sign statements wherein it was represented that original documents of John Inglis Co. had been shot out in our waste paper baskets.

"I got in touch with the superintendent of the building and asked him to bring the women in. They made statements to that effect. I

called in Mr. Boylen and I had not seen him for several weeks prior to that time. I found some attempt had been made not merely to implicate our firm with the destruction of books, but also to say that on these documents or records or whatever they were appeared the names of my brothers, J. O. Plaxton and Hugh, the member.

"I also learned our good friend Col. Drew had called in Captain Roy Brown, of the firm of Cameron, Pointon & Merritt and sought information from him."

"The only thing I can say is that the original documents of this company are extant and have always been extant, and I regard this as the most ungentlemanly and unfair attack ever perpetrated in the history of this country."

JAPANESE SAY
TREATY OBSOLETE

Continued from Page 1

at Brussels one year ago in an unsuccessful effort to end hostilities in the Orient. One of those results, Davis said, was:

"Express serving of notice that the settlement ultimately arrived at must be consistent with the principles of the Nine-Power Treaty and satisfactory to the conference powers."

GUARANTEED INTEGRITY
The Nine-Power Pact, signed at Washington in 1922, guaranteed China's territorial integrity and her independence and recognised equal commercial opportunity for all nations in China. Japan was one of the signers.

Publication of the memorandum from Davis was considered significant in view of recent dispatches saying Japan wanted to revise the treaty and warning she intended to force China into a bloc with Manchukuo and the Japanese Empire for the political and economic domination of East Asia.

The Davis memorandum was included in a small book regarding the Brussels conference, which the department issued today.

Davis said in his confidential report to Secretary Hull the conference, which Japan did not attend,

Canvassers Report
Gratifying Returns
To Fund This Year

LATE returns yesterday from the Community Chest headquarters here disclosed pledges totaling, to date, \$54,911.20, which is \$288.57 more than for the corresponding period last year. "A" division leads with \$37,929; "B" division has \$3,158.05; "C" division, \$10,887.26; "D" division, \$1,657.75; "E" division, \$1,267.14. Yesterday's total pledge amounted to \$5,770.35.

which was outward bound," he declared.

"I heard the explosion, looked up and saw a great clump of steam and smoke come out of the stack and all of the ventilators.

"The ship started settling immediately, turned in towards the shore and let go both anchors.

"I drew alongside and saw men hurry from the engine room covered with oil.

"Some of the men appeared to be scalded. The boat apparently had a large hole in her bottom, aft of the superstructure."

Other eye-witnesses reported seeing many crewmen, evidently injured, on deck, and also reported seeing steam billowing from the funnel and ventilators.

Persons on the shore of the estuary, a narrow inlet leading to San Francisco Bay, were unable to say whether the explosion occurred inside the vessel, possibly in the engine room, or from the outside.

SABOTAGE SUSPECTED
A telephone call to The Oakland Tribune lent credence to a possible theory of sabotage.

"Do you want some good news?" an unidentified person told The Tribune editor. "A bomb just went up on a German ship."

He hung up immediately, and a few minutes later the blast occurred.

Marine Exchange records disclosed this was the third mishap to befall the vessel in the past two years. She ran aground at Amapala, Central America, on November 4, 1935, and it cost the line \$28,000 to put the 8,018 net ton vessel back in order.

The vessel ran aground again on the coast of Mexico on April 5, 1936, but passengers were landed safely, and the damage repaired.

CANADIAN PASSENGERS
Four Vancouver Islanders were aboard the Hamburg-American Line motorship Vancouver when she left British Columbia waters on October 25 for Europe, while there were ten passengers altogether from Canada on the combined freight and passenger vessel. Of the four from Vancouver Island, three are from Victoria and one from Parksville. The Victorians are Miss Isabelle Hoppe, of Fernside Road; Gertrude Head; Samuel Matthews and Thomas Low; while the Parksville passenger is Mrs. E. Beattie.

Messrs. Matthews and Low, who arrived in Victoria on the cruiser Rainbow twenty-eight years ago, had been planning a visit to the homeland together ever since. Their experience as passengers aboard the Vancouver will be just another adventure added to eventful careers since they first arrived on the British Columbia coast.

Auntie—Well, how did you enjoy the ride on Uncle's shoulders?
Sandy—Oh, it was quite nice. But I had a ride on a real donkey yesterday.

BOARD SEEKS ACCREDITING

Saanich School Trustees Want Information From Government

A delegation from the Saanich School Board, consisting of the chairman, Trustee Capt. Nathaniel Gray, and Trustees M. W. Dawson and Dr. S. F. Miles, will interview Dr. S. J. Willis, superintendent of education, with regard to receiving a temporary accrediting of the Saanich high schools, it was decided at a meeting held Wednesday evening.

The action of the board followed an interview with a delegation from the Mount Douglas Parent-Teacher Association, which complained that their high school was not an accredited institution due to the lack of proper equipment, in particular an auditorium.

NO ACCREDITING
Trustee Gray informed the delegation that Trustee Dawson had interviewed the Department of Education with regard to ascertaining whether Saanich's schools were accredited or not, and had been informed that a committee was investigating the matter, with the result that at the present time the board had no information on the status of any of the high schools in Saanich.

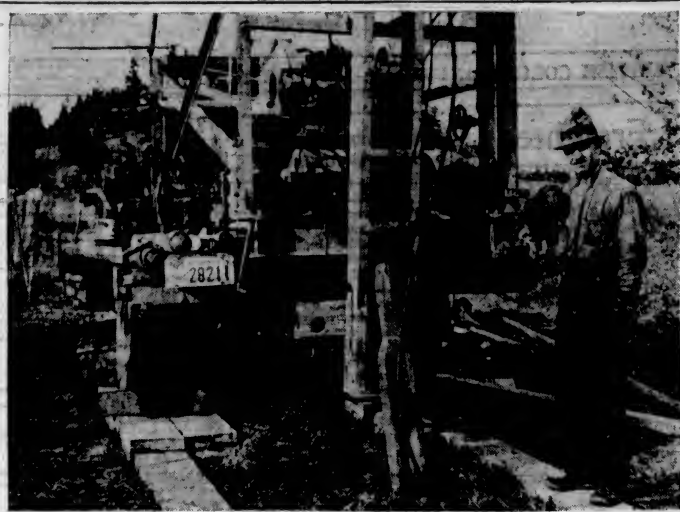

The P.T.A. delegation comprised Norman C. Bell, Mrs. W. R. Steer, J. T. S. Wilson and J. P. Walker. They said that due to the lack of an auditorium at the school, there was no place for physical exercises and there was no possibility of community or social life for the students. Mr. Bell mentioned also that the commercial students were overcrowded, and suggested that an auditorium could be added to the school.

SYSTEM UNSATISFACTORY
Trustee Miles stated that if a central high school were established in the future, construction of an auditorium at Mount Douglas would be an unnecessary expenditure. The trustees agreed that the present school system was not satisfactory. Trustee E. C. Warren said the Provincial Government should take over the educational responsibilities in the municipality. The chairman added there were too many schools, and there should be an opinion if ratepayers wanted the junior high school system. However, it was the opinion of the board the people of Saanich did not want any increase in the school tax rate.

A request for a written request will be made to Inspector Albert Sullivan, following receipt of a communication, signed by parents of children attending the Mount View High School, wishing to know if French was being taught satisfactorily at that institution, the board decided. Approval was given by the board to a letter from the Remembrance Day committee requesting the distribution of poppies in the Saanich schools. A letter of appreciation will be sent to A. Balfour, physical instructor of the Provincial Recreation Centre, thanking him for the use of physical training equipment which has been placed in Mount View High School.

SEEK FEDERAL CONTROL
WATERLOO, Alta., Nov. 3. (P)—A meeting of Waterloo residents to discuss "secession" of Waterloo, Jasper and Banff National Parks from the Province of Alberta has been called for an early date here. Under the secession plan, the three parks would be taken out of the province and placed wholly under Federal control.

Drilling for Water in Saanich Area

Above is shown the equipment, operated by J. K. Whitney, Portland, which the Municipality of Saanich hopes will be the means of finding an underground supply of water in sufficient quantities to solve its water problem. R. J. Strasser, drilling expert, has been engaged by the council to sink a test well in the spot shown above on Raymond Street north, at a price of \$4.00 per foot for the first 500 feet and \$5.00 per foot after that. Mr. Whitney, who commenced drilling yesterday for Mr. Strasser, said the huge-drill had penetrated twenty-five feet through the clay. However, when bedrock is struck, he expressed the opinion an average of eight feet a day would be all that could be expected. The drill is operated by a gasoline engine on a thirty-five-foot framework.

Accusations Levelled Against Complainant In Bren Gun Inquiry

Drew Charged With Attempting to "Burke" Hearing and With Underhand Tactics in Attempt to Involve Liberal Member

OTTAWA, Nov. 3. (P)—Lieut.-Col. George Drew was charged with attempting to "burke" the Bren gun inquiry and with an underhand attempt to involve Hugh Plaxton, Liberal M.P. for Toronto-Trinity in the affairs of John Inglis Co., Limited, by Herbert A. W. Plaxton, who gave evidence at the inquiry today.

Mr. Plaxton said an accumulation of stenographers' old note books had been thrown out of the law office of Plaxton & Company in Toronto about the time Col. Drew's article in Maclean's Magazine appeared last August. This article attacked the contract under which the Inglis Company is to make 7,000 Bren machine guns for the Government and gave rise to the inquiry.

Sometime later, Mr. Plaxton said, he learned that Gordon Balfour, Col. Drew's law partner, had approached charwomen employed in the office building and applied pressure to them in an attempt to obtain statements to the effect original documents of the Inglis Company had been torn up and thrown out and that in these documents appeared the names of his brother-in-law, J. O. Plaxton, a law partner, and Hugh, the member of Parliament.

TENSION AT INQUIRY
Counsel and spectators who had listened to Mr. Plaxton's evidence throughout the day on the incorporation of the Inglis and other companies and on share transactions became tense as the witness lashed out at Col. Drew who was cross-examining him.

His statement was a long one, and afterwards Col. Drew said the only interview that he and his partners had in connection with the inquiry were in the ordinary course of examining prospective witnesses for the probe. Afterwards he told newspapermen there was no truth in Mr. Plaxton's charges and Mr. Balfour would be called as a witness to disprove them.

In the incident started when Col. Drew asked: "Do you know Mr. Boylen?" (M. J. Boylen, a broker.) "Yes," said Mr. Plaxton. "You were in his office on August 29?"

"I am glad you brought this up," said Mr. Plaxton, "in the past I think I have been something of a sportsman and a gentleman. I can't say the same for you."

UNDERHAND TACTICS
He then declared Col. Drew had made an attempt to "burke" the inquiry and accused him of underhand tactics. When Mr. Justice H. H. Davis, head of the inquiry, attempted to halt him he declared: "I have a reputation to defend and I intend to do it."

"You do know there were three boxes of torn-up papers and books moved from your office to Mr. Boylen's office and that Mr. Boylen spoke to you about it?" continued Col. Drew.

Mr. Plaxton said he did not know it at the time, but he did learn that your Mr. Balfour had been after the charwomen on our floor and had obtained statements under pressure from these women or had attempted to compel those ignorant women to sign statements whereunder they had given up their papers and books.

It was represented that original documents of John Inglis Co. had been shot out in our waste paper baskets. "I got in touch with the superintendent of the building and asked him to bring the women in. They made statements to that effect. I

was a demonstration of the unwillingness of Japan to resort to methods of conciliation."

JAPANESE SAY TREATY OBSOLETE

Continued from Page 1

at Brussels one year ago in an unsuccessful effort to end hostilities in the Orient. One of those results, Davis said, was:

"Express serving of notice that the settlement ultimately arrived at must be consistent with the principles of the Nine-Power Treaty and satisfactory to the conference powers."

"GUARANTEED INTEGRITY"
The Nine-Power Pact, signed at Washington in 1922, guaranteed China's territorial integrity and her independence and promised equal commercial opportunity for all nations in China. Japan was one of the signers.

Publication of the memorandum from Davis was considered significant in view of recent dispatches saying Japan wanted to revise the treaty and warning she intended to force China into a bloc with Manchukuo and the Japanese Empire for the political and economic domination of East Asia.

The Davis memorandum was included in a small book regarding the Brussels conference, which the department issued today.

Davis said in his confidential report to Secretary Hull the conference, which Japan did not attend,

Canvassers Report Gratifying Returns To Fund This Year

LATE returns yesterday from the Community Chest headquarters here disclosed pledges totaling, to date, \$54,911.20, which is \$288.57 more than the corresponding period last year. "A" division leads with \$37,939; "B" division has \$3,158.05; "C" division, \$10,887.26; "D" division, \$1,657.75; "E" division, \$1,267.14. Yesterday's total pledge amounted to \$5,770.35.

which was outward bound," he declared.

"I heard the explosion; looked up and saw a great clump of steam and smoke come out of the stack and all of the ventilators.

"The ship started settling immediately, turned in towards the shore and let go both anchors.

"I drew alongside and saw men hurt from the engine room covered with oil.

"Some of the men appeared to be scalded." The boat apparently had a large hole in her bottom, aft of the superstructure.

Other eye-witnesses reported seeing many crewmen, evidently injured, on deck, and also reported seeing steam billowing from the funnel and ventilators.

Persons on the shore of the estuary, a narrow inlet leading to San Francisco Bay, were unable to say whether the explosion occurred inside the vessel, possibly in the engine room, or from the outside.

SABOTAGE SUSPECTED
A telephone call to The Oakland Tribune lent credence to a possible theory of sabotage.

"Do you want some good news?" an unidentified person told The Tribune editor. "A bomb just went up on a German ship."

He hung up immediately, and a few minutes later the blast occurred. Marine Exchange records disclosed this was the third mishap to befall the vessel in the past two years. She ran aground at Angelica Central, America, on November 4, 1935, and it cost the line \$29,000 to put the 3,018 net ton vessel back in order.

The vessel ran aground again on the coast of Mexico on April 5, 1936, but passengers were landed safely, and the damage repaired.

LABOR GROUP SEEKS OFFICE

Trades and Labor Council to Nominate Candidate for Aldermanic Field

A motion to nominate a candidate to represent the Victoria Trades and Labor Council in the December aldermanic election here was passed at a meeting of the organization Wednesday night. Nominations for a candidate will be made at the next meeting of the council.

During the meeting, the Labor Council went on record to the following effect: "We recommend that the proposed amendments to the Industrial and Arbitration Act as set forth in the circular letter to all trades unions, be endorsed and that the British Columbia executive consider the same when presenting labor legislation to the Government."

Other resolutions passed were as follows: "For the purpose of spreading employment, we urge a drastic reduction of hours of work under the Hours of Work Act be made and a daily and weekly maximum be determined to cover all industrial undertakings; we ask that an amendment to the Municipal Election Act be made to have placed on the voters' list the names of all householders with the city or municipality without the necessity of paying road and poll tax."

The Trades and Labor Council also passed a resolution that chauffeur licence fees be abolished, that textbooks and other supplies be provided at cost to pupils through the Department of Education, and that wherever possible, all printed matter and textbooks be done by the Government printer. The council also passed a resolution that home work should be reduced or eliminated and the time now spent by teachers in assigning and collecting home work be devoted to direct instruction in school hours.

THANKOFFERING IS SUGGESTED

Subscriber to Community Chest Grateful That World War Averted

A thankoffering for peace!

This is what one generous subscriber to the Community Chest feels should prompt the people to make donations to the fund that is now in process of being collected in Victoria.

"I heard the other day that someone in England sent a donation to a charitable institution as a peace thankoffering," this man writes the committee here. "We should remember that if there had been war (as the result of the recent crisis), there would probably have been no Community Chest, but the distress would have been correspondingly greater."

This is an argument that may easily appeal to everyone, and doubtless many subscriptions in Victoria have been made in a spirit of gratitude, as well as in a spirit of sympathy for those who need the help that is to come through the various charities supported by the chest.

VOLUNTARY WORKERS
All the canvassers, and there are hundreds of them, are giving their services entirely voluntarily, without pay. Practically all of them have also contributed to the Community Chest fund.

Another impressive thing about the campaign is that the auditing committee, which works far into the night working out the total of the day's collections, does its work entirely without remuneration. The cashiers work daily from 10 a.m. to 5 p.m. The auditors most of whom belong to staffs of city banks, come on duty after they finish their regular day's work and work on until 10 or 11 p.m.

The committee is deeply grateful to both groups, the personnel being as follows:

Auditing committee: Chairman, G. H. Harman; vice-chairman, H. P. McCabe; supervisor, H. J. S. Reynolds; Auditors: R. H. Angus, J. H. Child, L. C. A. Collett, A. L. Collins, J. M. Dillabough, A. M. J. Field, R. C. Gore, W. K. Gray, W. J. Ham, J. L. Hellyer, E. A. Henderson, E. Housley, R. W. Keenlyside, R. W. Kirkwood, K. L. Leeming, B. C. A. Lees, J. H. McDermott, F. E. P. Proctor and J. W. R. Seattie.

The cashiers are James K. Bruce, N. F. Ferris and G. A. C. Weir.

FOUND DIME NEED

Two canvassers returning from their "beat" yesterday, reported that one of the families called upon was found to be in such dire need of help that, instead of asking for a subscription, they got into touch with one of the welfare organizations of the city and had supplies and other necessities sent in. This was one of the many incidents that demonstrates the role that the Community Chest plays in bringing all sections of the community together in sympathetic neighborly spirit.

At many places the canvassers are welcomed with a cup of tea, and in the informal heart-to-heart chatting that accompanies this, find the bond of sympathy that makes the whole work kin.

WELSH MINERS STRIKE

CARDIFF, Wales, Nov. 3 (CP-Havas).—Two hundred miners in the Britannia pits at Gllfach Goch, Glamorganshire, struck today when the mine operators refused to grant demands for a minimum wage scale.

Pay Visit to Red Cross Workshop

Mayor Andrew McGavin and several aldermen made a tour of inspection on Wednesday of the work being carried out in the Red Cross Workshops on Johnson Street, and saw the actual operation of making poppies to be supplied throughout the province to the various returned men's organizations. The party was accompanied through the premises by officers of the organization. The party was photographed in the poppy room, showing from left to right: Frank Partridge, chairman of the Remembrance Day committee; Mayor McGavin; J. G. Morley, in charge of the poppy shop; Alderman W. L. Morley; Alderman S. H. Okell, in charge of the Workshops' activities; and Major C. Hemmley, chairman of the Workshops' committee. Seated in front is John Hobden, who is busy carrying out the work of arranging designs for poppy wreaths. In the background, partially hidden by the Mayor, is another of the workers in the shop, T. Ralph.

POSSIBILITY OF ARENA IS TOLD

R. W. Mayhew, M.P., Is Speaker at Young Liberals' Meeting Here

R. W. Mayhew, M.P., was the speaker at a meeting of the Twentieth Century Young Liberal Association held on Tuesday night at Liberal Headquarters.

In addressing the younger group Mr. Mayhew said that there was a possibility the Dominion Housing Act could be made to cover the financial arrangements for the construction of an arena for Victoria, and there was a very good chance of it being put through under the act.

The speaker invited members of the association and all young people to offer suggestions to aid in the amelioration of such problems as unemployment, which was of paramount importance to the majority of the members at Ottawa, he stated.

At the conclusion, Mr. Mayhew expressed the hope that these suggestions, to which he promised his best attention, would prove of value to him in his attempt to serve his constituents well.

BRIEF TALK GIVEN

A brief talk was given by H. Seymour-Biggs, who invited the young Liberals to attend the meetings of Ward Six and Seven whenever they desired.

Miss Mary Grant, chairman of the dramatic committee, reported that two plays would be presented during the second week of December. Fifteen new members were accepted into the association including: Miss Margaret W. Armstrong, Peggy Reedy, Dorothy Reedy, F. Patterson and Messrs. W. J. Somerville, Robert H. Potts, Herbert G. Chapman, James Albert Roman, Arthur E. Leonard, L. B. Leonard, Sherman Hemen, Harry MacDonald Hughes and J. D. McPherson.

MUSIC IS GIVEN PROMINENT PLACE

Rotary Club Enjoys Programme Provided by Local Rotarians At Luncheon Meeting

The programme at the luncheon meeting of the Rotary Club in the Empress Hotel yesterday was given over in the main to musical selections under the charge of Thomas Kelway and the orchestra of the club.

An instrumental selection, with H. G. Brockington (trombone), J. H. Beatty (cornet), and Alfred Prescott (violin), opened the musical programme. Rev. A. E. G. Hendy followed with the vocal solo "Devil, Glorious Devil" and for an encore gave "My Ain Folk." He was accompanied by Thomas R. Myers.

A monologue in pantomime by Pat Burley, who called upon the members of the club to join with him.

Col. H. E. Goodman contributed an amusing selection, with Mr. Myers as accompanist.

A vocal quartette, composed of Frank Sehl, Thomas Kelway, J. M.

TAKE THE LEAD OUT OF YOUR LEGS

Get Oxygen in Your Blood and You'll Get the Pep that Sends You Bounding Up the Stairs

People who suffer to death die because oxygen has been completely cut off from them. Just as surely you are slowly smothering if your blood lacks red corpuscles. Red corpuscles are your oxygen-carriers. They carry the oxygen you breathe in to every part of your system. Without enough oxygen, your kidneys, liver, stomach and bowels slow down. Your skin gets pale, flabby, often pimply. Your nerves may become jittery—jive. You quickly feel depressed.

What you need is Dr. Williams' Pink Pills. These world-famous pills help make more and better red corpuscles and thus increase the oxygen-carrying power of your blood. Dr. Williams' Pink Pills today at your drugstore. See for yourself how quickly this time-proven blood-builder will help give you back your pep. Cost 100¢, 50¢, 25¢, 10¢.

LOCATE GRAVE OF LOCAL MAN

Body of Late J. M. Coates Found in France and Removed to Government Cemetery

An instance of the extreme care which is being exercised by Canadian authorities in locating and maintaining graves of those who fell in the Great War has been brought to the attention of the relatives of James M. Coates, who left Victoria with the 88th Battalion in May 23, 1916.

His friends, while advised of his death, had no information of where his remains rested until a few days ago when his father, William H. Coates, 1046 Sutlej Street, received word that the body of his son had been located and had been reinterred in one of the burial grounds, where it was being looked after by the Canadian Government.

"The grave of an unknown soldier was recently found at a point north-west of Courcellette in France, which, upon investigation, was found to contain the remains of the late Private Coates," said the letter.

PERMANENT RESTING PLACE
"The body has been carefully removed and reverently reburied in Grave 12, Row 'C,' Plot 8, of London Cemetery Extension, High Wood, Longueval, France, where it will be properly maintained in future."

The letter, which is signed by W. E. L. Coleman, major, officer in charge of records, for the adjutant-general, conveys the information that in due course a headstone of a permanent character will be erected and maintenance of the grave has been arranged by the Canadian Government. The letter contains an enclosure the identity of which has become somewhat damaged, but which bears "No. 186019, Private James M. Coates."

Confirming rumors which have been in circulation for months, Wallace R. Campbell, president of Ford Motor Company of Canada, Limited, announces that a new car, bearing its own distinctive name and selling in the lower medium-price range, would be added to the Ford-Lincoln line.

The new car will be known as the Mercury 8. It will have a wheelbase of 116 inches a V-8 engine more powerful than any hitherto marketed by the Ford Company; hydraulic brakes and numerous advanced mechanical features, the announcement said.

Its flowing lines will reflect the modern streamlined styling pioneered three years ago by the Lincoln-Zephyr, which, according to current press reports, has inspired to an important degree the design of a number of other new cars now being prepared for the market.

HAS ROOMY INTERIOR
One of the features of the new car is the unusually wide and roomy interior with passenger space and

PLANNING FOR TOY CAMPAIGN

Boy Scouts Expect to Get Annual Shop Established Here by November 21

Plans for the annual Boy Scout toy shop, which every Christmas collects and repairs toys for needy children, were made at a well-attended meeting in the Scout headquarters, Johnson Street, last evening.

It is hoped to begin the campaign for toys on November 21. However, no building has yet been reserved for the shop.

W. R. Bardsley was named chairman of the committee in charge of the shop, and will be assisted by Mrs. A. H. C. Phillips, Major H. B. Hunter, George Sherman and Ernest Merritt.

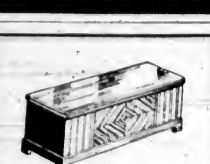

It was reported that last Monday 600 toys were placed aboard the M. S. John Antle, Columbia Coast Mission ship, which will distribute them to needy children at the boat's ports of call.

Begg's Big Used Car Bargains advertised on page 3.

STUDENTS' COUNCIL NAME COMMITTEES

Members of the Victoria High School Students' Council have been divided into five committees, namely: Finance, social, visual education, publicity and publications and athletics.

The committees have been announced by Barbara Hutcheon, president of the council, as follows: Finance, David Anstey (chairman); Social, Martha Armstrong (chairman); Visual Education, Gordon Jennings; Publicity, Kenneth Wilson and Mary McLoir; Publications, Joan Duncan and Sam Gagliardi; Athletics, Alice Merriman (chairman); Betty Southern, Ray Smithhouse and Donald Seaton; Athletics, Bill

Brown (chairman), Frank Mylrea, Alec Walker and Wendy Mylrea.

GRANT PARDONS TO CELEBRATE BIRTH

ATHENS, Nov. 3 (AP).—An amnesty remitting all prison sentences of one year or less for ordinary criminal offences was decreed today in celebration of the birth of a daughter yesterday to Prince Paul, heir presumptive to the Greek throne, and his consort, Princess Frederika. Four hundred deported persons were given permission to return.

WINNIPEG, Nov. 3 (CP)—John Turnbull, chief accountant of the Manitoba Liquor Commission, has been appointed chairman to succeed R. D. Waugh, who died May 20 last.

THE ROYAL VISIT

Scores upon scores of statements about plans for Their Majesties' visit to Canada next year continue to be disseminated. They are one and all unofficial. No arrangements have been made so far, and His Majesty has not been consulted on the idea of meeting the Privy Counsellors at Ottawa. It is a matter of both courtesy and precedent that any plans proposed must be submitted to the King, and his consent secured before any arrangements are made. Whatever plans are finally accepted will be devised by an advisory committee set up at Ottawa. It is with that committee that Provincial Governments and municipalities will have to deal. Even when it is known what will be the Royal itinerary it is quite futile to say that this, that or the other thing will happen.

STREET TRANSPORTATION

The problem of future street transportation facilities is one that should be dealt with by Greater Victoria as a whole, and if Provincial legislation is necessary for this purpose it should be sought during the present session. The City Council seems to be proceeding on the assumption that a street car, or bus, service may be provided without prior co-operation with the municipalities of Oak Bay, Esquimalt and Saanich, which it will traverse. That is a half-baked proposal. The Mayor believes no interference should be tolerated from outside sources. The adjacent municipalities are not outside sources; they have a right to have a say in the form of transportation they want, since it will cover their municipal areas. Moreover, an amicable arrangement reached with all the parties concerned, prior to an invitation for tenders on a means of transportation, is simply a part of wisdom, and a part, too, of what will be the logical outcome of time, namely, a Greater Victoria, including Esquimalt, Oak Bay and parts of Saanich.

The statement has been made that the routes to be defined for a new transportation system will extend to the city's boundaries, and then, at Oak Bay, Saanich and Esquimalt desire to link up with the city system, they will be at liberty to do so. Of course they will, but the method of that linking should be decided by mutual arrangement after full consultation, and prior to any invitation for tenders. For transportation purposes, Victoria and its suburban areas are a unit and should be dealt with as such. It would be just as well for this city to bide its time until it knows what will be the provisions of the Public Utilities Act, which the Government of the Province is to bring down during the present session of the Legislature.

ANTI-AIRCRAFT PRECAUTIONS

Colonel F. Fraser Hunter reminds the people of Canada that the other day a German super-bomber landed quietly in New York, paused a little while, and got safely back to Central Germany eleven hours later. The lesson for this country is that it is not immune from aerial attack by a European Power. The object of an attack is what Sir Samuel Hoare describes as to deliver a "knockout blow," not to engage an enemy's aerial fleets. Those who have studied the future of airplanes in war believe that they are much more than mere development in military technique. They mean "a new and revolutionary method of waging war."

Colonel Hunter urges that experts should be put to work in Canada to arrange for the production of air power, to establish anti-aircraft defences and to prepare everyone in the country to meet this new emergency of war. In a naval and military sense, this Dominion can rely on the Empire as a whole for her defence. She must rely on herself alone to meet any potential attacks from the air. No step whatever has been taken to instruct the people of Canada what air raid precautions mean. There is complete ignorance as to how cities should be evacuated. No machinery exists for food control in the case of attack from the air and a consequent movement of population.

The lesson of the recent European crisis was that there must be orderly preparation by all if the emergency of modern warfare is to be met with any degree of equanimity, and with the assurance that it can be encountered successfully. It is as important for the Empire as a whole as it is for Great Britain to teach its people all there is to be known about anti-aircraft precautions, and, moreover, just as important, too, that each part of that Empire should develop its proportionate share of air power. Canada's problem is equally that of Great Britain's, "to organize a great industrial community to protect itself against the 'knock-out' blow of an air attack."

MR. PATTULLO'S THREAT

The methods of the Provincial Government of British Columbia in its totalitarian outlook will be regarded by posterity as an example to deter rather than a pattern to imitate. Among the latest examples of the totalitarian trend is the intimation from Mr. T. D. Pattullo that legislation may be devised to curb the power of the Supreme Court of the Province. That, of course, is a threat, as Mr. R. L. Maitland says, "that if the courts did not behave the way the Premier of British Columbia wanted them to, then there would be legislation to make them."

Members of a Government and bureaucratic bodies set up by such an authority are as liable to the pressures of the law as anyone else. It is within the power of Governments to make the

laws of a land, but it is within the authority of the courts to interpret those laws, and the safeguards provided for the ordered course of justice have been built up, consolidated and expanded since the signing of Magna Carta.

Mr. Pattullo might devise legislation to restrict the powers of the courts, but in every probability, as has so often happened, it would be found to be ultra vires. The courts are a part of the Constitution of the land. There are better safeguards affecting them that could be found, or destroyed, by any Act of a Provincial Legislature. Mr. Pattullo's Attorney-General could tell him this. It is one of the doctrines of a totalitarian State to interfere with the course of justice. The Premier has exhibited a symptom in this particular.

SOMERSAULTING POLITICS

Seemingly there is no political party which can change its mind with such abandon as the Laborites in Great Britain. These politicians have given many exhibitions of somersaulting, and the thought sometimes must arise as to the extent to which they are governed by principles. Mr. H. W. Massingham, a well-known journalist, has summarized the chameleon-like attitude of the party of Mr. Atlee by quoting the instance of the recent international crisis in Europe. He says:

"The Labor Party was indignant at the terms of the Treaty of Versailles; it is furiously indignant now that they have been all but reversed. It loved peace and feels humiliated at getting it by the negotiation that used to be its watchword. It loves the small nation, but on the principle of killing the thing it loves. 'The Left' finds its most congenial and righteous home to be on the extreme edge of the opposite side. It opposed violent solutions to problems between States and links arms with the party approving such methods. It plays, in fact,

"Such fantastic tricks before high Heaven As make the angels weep."

"A week ago a new spiritual force was born in world affairs, and Mr. Chamberlain, with more than a touch of the poet's vision, made himself its spokesman and interpreter. The Labor Party, with a few honorable exceptions, responded by turning somersaults like a clown in the circus and spouting false heroics. We have to thank God that it was not in power a fortnight ago."

EMINENT CANADIANS

The seeds of success are planted on the farm if the records of Canadians who have achieved much are any criterion. Most of those Canadians who emigrated to the United States and made names for themselves came from farms and small towns. It is another interesting fact that there are more successful Canadians in the United States than in Canada. In the Who's Who of America, 626 Canadians are listed. Mr. W. Stewart Wallace, Librarian of the University of Toronto, has compiled a list of the distribution and distinction of Canadian genius, and he finds that only 432 persons have achieved eminence in the Dominion as statesmen, churchmen, professional men and artists in the period 1760-1926. It would appear, therefore, that the most brilliant Canadians go elsewhere to win recognition, or possibly to achieve wider gains. Of those who have been eminent at home in the period noted, 133 were natives of Quebec, 113 of Ontario, 42 of Nova Scotia, 30 of New Brunswick, 9 of Prince Edward Island, 3 of British Columbia, 2 of the Northwest Territories, and 1 of Manitoba.

An observer of the League of Nations Society of this country has just returned from Europe with the statement that an "incredible" price has been paid for peace. It can hardly be as incredible as the price that would have been paid in the death of countless mothers' sons.

No laws, however stringent, can make the idle industrious, the thriftless provident, or the drunken sober.—Samuel Smiles.

Note and Comment

By Sandham Graves

This week there was born a truth which, in the process of time, may well become a lie. It was said, in a place where much is said, that out of one thousand children examined under certain conditions and at a special place, twenty-two children gave evidence of a form of mental instability which, in time might prove serious for them. From that it was immediately and incorrectly argued that twenty-two out of every 1,000 children were headed for a mental hospital. Let us leave the argument there, for a moment, and examine what happened with similar line of reasoning one year ago.

In the same place, and under very similar conditions, the startling assertion was made that one out of five people in British Columbia were suffering from, or from the effects of, a terrible scourge to which it is not necessary to give a name in these premises. British Columbia at that time had a population estimated at some 700,000 individuals; and, though the actual reported occurrence of coal gas poisoning, preceding twelve months had been less than 500 cases, some of which were counted twice over, it was affirmed and reaffirmed that one out of five people were the victims, directly or indirectly, of the disease. Which, of course, is nonsense, but, having once been said, it had to be persisted in, and to this day has not been withdrawn.

It is worth while to go back to examine the birth of the "one-in-five" assertion, which became, to the minds of many at least, probably the greatest lie ever perpetrated on the people of this province. It began innocently enough, with a well-meaning attempt in a foreign country to draw attention to the regular stage service in the North of Scotland. No details are given, however, of the manner in which the fuel is carried. No doubt there are many who will recall the war days in the British Isles when, owing to shortage of petrol, taxis operated on coal gas, carried in big, balloon-like envelopes secured on top of the cabs. Presumably a more convenient and compact method of carrying the fuel has been found today.—R.M.

Must Have Seats
We came across the following interesting passage in part two of a Provincial Government Act, respecting the regulation of shops: "The employer of females in any shop shall at all times provide and keep therein a sufficient and suitable seat or chair for the use of each female, and shall permit her to use the seat or chair when not necessarily engaged in the work or duty for which she is employed in the shop." Wonder how many shop girls have ever heard of the act? Bill, the Broad Street barber, says a man is not really old until he starts noticing the weather is not like it used to be. Wonder if any of those persistent life insurance salesmen have ever tried to sell a policy to the European dictators? "There's nothing like humility," remarked our tobaccoist friend. "Every time I thought I felt like a big gun I got fired."—G.B.

Where Was Bergen?
If Charlie McCarthy hadn't changed his name to Joe Doakes, Charlie McCarthy III might have had very little attention this week in Chicago. No, this little story has nothing to do with the famous radio mumbler's concerns. Another Charlie McCarthy, a young fellow residing in the Windy City, said the events prior to his paternity added up to considerable confusion. Expecting the arrival of Charlie McCarthy III, Charlie McCarthy, Jr., called for a taxi to take him to his wife to the Lewis Memorial Hospital. "This is Charlie McCarthy. Send me a cab," he babbled excitedly into the telephone. The cab stand attendant apparently owned a radio for all he said next. "I'll now you down," and hung up. An hour dragged by, no cab appeared, and the anxious husband frantically called again: "This is Charlie McCarthy." He yelled, "Where's my taxi?" "Give my regards to Betty Lamour and Don Amosche," the dispatcher replied. A second hour went by slowly. Meanwhile Charlie McCarthy couldn't pick up the phone, he called the taxi company. "This is Joe Doakes," he belated. "Send me a cab."—W.F.

So, what began as a well-meaning truth in another country than Canada was stretched and broadened out, added to and particularized, repeated, colored and distorted, until finally it was applied hocus to British Columbia, where it became, in the opinion of leaders in the medical profession, an unashamed lie. British Columbia has not yet dislodged its implications; and the very cause it was designed to serve was seriously hurt by being made ridiculous in a very public place. All of which, of course, is history.

Now there is another well-meaning truth, designed to turn attention to conditions no doubt demanding adequate attention and special care. The truth has been launched on such a basis, however, that it may well undergo just such another inversion. It should be said now, and remembered later, that twenty-two out of every 1,000 children in this province are not headed for the mental hospital, either now or later, that of the

Province's record of some 3,000 cases in mental institutions at least half of the patients came from other parts of the world; and that there is nothing much the matter with the other 978 children in the 1,000 either. Mental instability does not spread over a general population, but breeds from particular sources, and these are limited. Nor does society often surrender to its minority.

In school class rooms from time to time teachers have been heard to say: "This class is the dumbest I ever taught." Even there the assertion is ill-timed, and sometimes does incalculable damage to growing minds. In higher places any such assertion rapidly loses the aspect of a joke, and becomes an insult to the people. You may, of course, make friends for a good cause by insulting the people; but, somehow, I doubt it.

The Observation Car

By THE EDITORIAL STAFF

Coal Gas Buses

In view of the present controversy over Greater Victoria's passenger transportation problem, a report appearing in a recent issue of a Scottish daily paper regarding tests made with buses driven by coal gas is of interest. The test was made by the Glasgow Corporation for a period of one month, over regular passenger routes, and the authorities, to quote the newspaper report, were particularly impressed by the big saving in fuel costs. As compared with petrol vehicles, it is stated the fuel economy was "somewhere in the region of 62 per cent," and as compared with Diesel-driven vehicles, about 30 per cent. One of the coal gas buses, with seating accommodation for thirty-one passengers, was reported to have travelled over 20,000 miles on regular stage service in the North of Scotland. No details are given, however, of the manner in which the fuel is carried. No doubt there are many who will recall the war days in the British Isles when, owing to shortage of petrol, taxis operated on coal gas, carried in big, balloon-like envelopes secured on top of the cabs. Presumably a more convenient and compact method of carrying the fuel has been found today.—R.M.

ly competitions carried on by the organization inspire Victoria gardeners to improvement, and the result is one of the reasons so many tourists "follow the birds" to Victoria each year. Their annual competition next year will, no doubt develop some new, ingenious and very beautiful garden lay-outs.—B. D. H.

Glancing Over Sport

Do you know that there is a possibility that Babe Ruth, former home-run king of the majors, will manage the St. Louis Browns in the American Baseball League next season? Ruth is at present dickering with the club owner over a contract. It was Danny La Verne's aggressiveness and clever ingenuity that beat Victoria's Billy Buxton last Tuesday night in the Seattle ring, according to information seeping into the sports department. Goolie Willis Rowe says that shot of Eddie De Costa's that beat him and won the game for the Navy last Wednesday was just about the hardest drive he has ever had fired at him during his long career guarding the nets for illegal football teams. "I thought it had torn my thumb off," he told me after the game. A young colored caddy down in Florida is practicing up his driving these days for a competition with Jimmie Thomson, rated as the longest-hitter of a golf ball in the world. A special challenge has been issued by the club where the negro caddy works and Thomson has accepted. This youngster smacks them from the tees constantly over the 330-yard mark. So some day, we may have a U.S. national champion from the colored race to take his place alongside Joe Louis and Jesse Owens and other top-notchers in various branches of athletics. Al Hostak, delirious middle-weight champion, says he will come back and whip Billy Kruger with the greatest of ease the next time they meet. "I will knock him out in a hurry next time," stated Al after leaving the hospital.—J.D.

Garden Advertising

The people of Victoria and district could well heap praises on the heads of the members of the Victoria Horticultural Society, who are doing so much to make the Capital City of British Columbia as beautiful as the advertisements of the Publicity Bureau says it is. The annual and monthly

FIFTY YEARS AGO TODAY

From The Daily Colonist of November 4, 1888.

Strange Occurrence at Wharf—On Thursday evening, while the steamer Rainbow was at the wharf at Westminster, a stranger walked on board and posted himself on the hurricane deck leaning against the cabin. Suddenly his feet flew from under him, and a second later he shot through the rails and into the water. A life preserver was thrown to the man, who made no attempt to take hold of it, but lay contentedly in the water. Seeing that the man would drown, Captain Gavin had him hoisted on board with a boat-hook. After giving himself a shake, this strange personage quietly walked ashore without saying "thank you" or "good-bye."

Canal at Nanaimo Completed—The Dominion Government has cut a boat canal through what is known as Nanaimo as Briggs' Portage, thus saving a long contour around Jacko or Shape Point. Thomas McGuffie, who has charge of the work, completed the canal on Thursday. It now affords passage for large-sized boats and canoes for nearly three-fourths of each tide, and is bound to be a great convenience to the settlers of Gabriola, Mudge and adjacent islands.

The British Navy's efficiency was never more dramatically demonstrated than in the recent crisis, when the senior service mobilized 30,000 men and had them at their posts afloat and ashore within a few hours.

Player's Navy Cut—England's senior cigarette—long ago demonstrated its high quality, and as a result has earned a world-wide reputation for giving smokers the utmost pleasure and satisfaction.

Player's offer the choice of two great cigarettes—"Medium" or "Mild". Choose the one which suits you best.

MEDIUM—cork tip or plain.
MILD, plain end, "wetproof" paper
that does not stick to the lips.

this city by disabled men who in the years 1914-1918 faced the forces of the dictators of that time. The sale of poppies keeps these men in sheltered employment throughout the year, besides assisting other veterans and their dependents who, due to age, lack of employment and bodily ills, find the path of peace an extremely arduous one.

The committee realizes the calls made on the citizens by reason of the Community Chest campaign, but bespeaks a cordial greeting to our poppy sellers on the streets on Saturday, November 5, and requests everyone to carry out the behest of our late beloved Earl Haig to give generously for our poppy.

C. A. GILL, Secretary, Remembrance Day Committee, 628 Courtney Street, Victoria, B.C., November 3, 1938.

A TOAST FOR ST. HUBERT'S DAY (NOV. 3)

I raise my glass tonight to all good dogs.
To no particular breed—no special strain.
Or certified prize-winners—just to plain.
Unpedigreed good dogs—the bouncing kind.
That scent a walk and won't be left behind.
I drink to wagging tails and honest eyes.
To courage and unguessed-at loyalties.
Whose value never will be known or sung—
A touch beneath the table—warm tongue.
Seeking my hand, a friendly, intimate job.
Against my knee—that you? Good dog, good dog.
—Mary Holden, Cherry Point, Cobble Hill.

FIELD WORKER VISITING CITY

R. E. Wemp, British-Israel Federation Official, to Speak Here

"The first duty of those people who call themselves Christians, is to find out what the will of God is," R. E. Wemp, field-secretary for the British-Israel World Federation, declared on his arrival in Victoria Wednesday.

Mr. Wemp will give mass meetings in the First Baptist Church today at 8 p.m., and on Sunday at 3 p.m.

Following his addresses in Victoria, Mr. Wemp will travel to Duncan, Alberni, Qualicum and Ladysmith to complete his schedule of talks on Vancouver Island. "The people of Canada are becoming more God-conscious and more Bible-conscious," Mr. Wemp told a Colonist reporter in an interview. The main reason for this, he said, was the series of international crises since 1935. "These events have emphasized the necessity for the practice of the Divine law in the lives of the peoples of the world," he asserted.

The year 1941, he said, would bring to conclusion the 2,500 years of punishment inflicted by God on the people of Israel for disobeying His laws. "While they believed His laws, they did not practise them," he declared.

Making his first trip to the Coast, Mr. Wemp will journey to Seattle and Tacoma to make further addresses along the doctrines of the British-Israel Federation, and will then return to his home in Toronto. While here he is a guest at the Strathcona Hotel.

Obituary

LUSCOMBE—There passed away yesterday at the Royal Jubilee Hospital Peter Turner Luscombe, aged sixty-one years, 1319 Gladstone Avenue. Mr. Luscombe served overseas with the 5th Regiment in the West Indies, and he was a valued member of the Knights of Pythias. There remain to mourn his loss his wife, at the family residence; two sons, Thomas G. and Peter T. Victoria; one daughter, Mrs. C. Churchill, of this city; four sisters, Mrs. C. Graham, Wellington, B.C.; Mrs. B. Hemmings, and the Misses Grace and Ann, Victoria; two brothers, Thomas G., of Alaska, and William, of San Francisco. Funeral services will take place on Saturday afternoon at 3:30 in Hayward's B.C. Funeral Company's Chapel. Interment will be made in the family plot at Ross Bay Cemetery.

DOOLEY—At an early hour yesterday morning at Royal Jubilee Hospital, Major Francis Dooley, of 3285 Alder Street, died, aged seventy-five years. Mr. Dooley was born in Liverpool, England, and had been a resident of Victoria for eleven years. He served with the Canadian troops during the South African War and with the Canadian Army Medical Corps in the Great War. He was a member of the Britannia Branch, Canadian Legion. He is mourned by his wife and three grandchildren. The funeral will take place tomorrow afternoon from McCall Brothers' Funeral Home at 2:30; interment in Colwood Burial Park.

LASENBY—The funeral of Mrs. Mary Mable Lasenby took place yesterday afternoon from the Thomson Funeral Home, Rev. G. A. Reynolds, assisted by Rev. Dr. A. J. Imrie, conducted the service in the presence of a large congregation of sorrowing friends. A profusion of beautiful floral tributes was received. The hymns sung were "Jesus, Lover of My Soul," and "Lead, Kindly Light." The remains were laid at rest in the family plot in Ross Bay Cemetery. The following were pallbearers: C. Conyers, H. G. Wells, F. Patterson, R. D. McCaw, F. M. McGregor and M. Green.

SMITH—Many sorrowing friends attended the funeral of Mrs. Margaret Emily Smith, held from Hayward's B.C. Funeral Chapel yesterday afternoon. Very Rev. S. H. Elliott, Dean of Columbia, conducting the services. The hymns, "Abide With Me" and "Jesus, Lover of My Soul," were sung by the congregation. (Gowned) by Mrs. Adele Ramsay. A profusion of beautiful floral offerings was received. The following were the pallbearers: Victor Di Castri, Roy Maynard, C. E. Margison, G. H. Maynard, Fred Smith and Gordon Thomas. The remains were laid at rest in Royal Oak Burial Park.

BROOKER—There was a large attendance of sympathizing friends at the funeral of Thomas Cuthbert Brooker, held from Hayward's B.C. Funeral Chapel yesterday afternoon. Ven. Archdeacon Nunns officiated, and the hymns, "Sun of My Soul" and "Lead, Kindly Light" were sung. An abundance of beautiful floral tributes surrounded the casket. The following were pallbearers: Albert Burhop, R. Jesse, J. M. Lawson, William Sylvester, Herbert Anson, M.P.P., and J. T. Iverson. The remains were laid at rest in Royal Oak Burial Park.

STAHL—The funeral of Daniel Stahl will take place from Hayward's B.C. Funeral Chapel on Saturday 2 p.m., and interment will be made in Royal Oak Burial Park.

DORAN—The funeral of John Patrick Doran will be held on Saturday, the cortege leaving Hayward's B.C. Funeral Chapel at 8:45 a.m. and proceeding to St. Andrew's Cathedral, where Mass will be celebrated at 9 o'clock, and interment will be made in the family plot in Ross Bay Cemetery.

STEEDMAN—Funeral services for Major Charles Dawes Steedman will be held this afternoon at 2 o'clock in the S. J. Curry & Son Funeral Home. Rev. Alan Gardiner will officiate, and interment will be made in the Royal Oak Burial Park.

BRACHER—The funeral of Mrs. Frances Sarah Bracher will take place this afternoon at 2:30 from Sands Mortuary Chapel, Rev. Edwin Bracher officiating. Interment in Royal Oak Burial Park.

MOGGEY—The funeral of James Moggey was held on Thursday afternoon from McCall Brothers' Funeral Home. Many friends attended the service, among whom were Mayor Andrew McAvoy and others prominent in the commercial life of this city, where Mr. Moggey was engaged as a contractor and builder. Rev. N. J. Crees conducted the service, during which the hymns "Nearer My God to Thee" and "Rock of Ages" were sung. Interment was made in Colwood Burial Park with the following as pallbearers: S. McPhee, D. Dewar, K. S. Dodge, A. Schroeder, J. A. Playfair and O. E. Fritsch.

PAWCETT—Funeral services will be conducted this afternoon at 3 o'clock in Sands Mortuary Chapel for Frederick John Lea Pawcett. Rev. G. H. Scarrett will officiate. Cremation in the Royal Oak Crematorium. Friends kindly omit flowers.

RUSSIAN COMMANDER DIES

MOSCOW, Nov. 3 (P.)—The death of Division Commander Pavel Sergeevich Alliluev, commissar of the tank department of the Red Army, was announced in Moscow newspapers today. The published account said Alliluev died yesterday "at his post of duty" but gave no details.

ASSIZE CASE TO CONTINUE

Mrs. Vera Colebourne to Undergo Further Cross-Examination

The second trial of Mrs. Vera Colebourne on a charge of murdering her husband will enter the fifth day at the Fall Assizes before Mr. Justice Fisher at 10 o'clock this morning. Richard C. Lowe, defence Counsel, will call the last of his witnesses today, M. B. Jackson, K.C., the Crown prosecutor, closed his case yesterday morning. Mrs. Colebourne is scheduled to take the stand for further cross-examination by the prosecutor.

Mrs. Colebourne took the stand in her own defence at 11:35 o'clock yesterday morning. The accused woman repeated the story of events leading to the fatal shooting of her husband on the night of March 31 and April 1.

EXPLAINS SHOOTING
She stated her husband, Sidney William Colebourne, struck her several times and ordered her to submit to unnatural relationships with him. She said he pressed a pistol to her neck, but desisted and fell asleep when she promised not to complain to the Oak Bay police. She stated that she drew the pistol from under her husband's pillow, intending to take it to the late Chief John Syme. Then there was an explosion, and she fainted.

Questioned by Mr. Lowe, Mrs. Colebourne denied placing her husband's wallet behind a baking pan in the kitchen of their home at 2330 Bowker Avenue, nor did she hide a package of jewelry found in a cupboard. She asserted she did not switch on the lights of the house at any time. She also denied touching her husband's body.

ORIGINALS MISSING
She admitted copying four notes from originals in her husband's wallet when advised by a lawyer to secure something that could be used against Mr. Colebourne. One of the notes was signed "Ella B." Mrs. Colebourne admitted that her husband was always afraid of someone breaking into their home, believing that was the reason why he kept a gun under his pillow. William C. Moreau, K.C., testified that he received the four copies of the notes from Mrs. Colebourne towards the end of February or early in March.

Mrs. Colebourne did not know what became of the originals. Mr. Jackson sought to prove the originals never existed. He showed the accused woman a letter from her father and asked her to compare it with one of the notes. She said there was no comparison.

At the order of Mr. Justice Fisher, the jury was asked to retire for a few minutes while discussion was held on the admissibility of documentary material referred to by Chief H. C. F. Reston on Wednesday.

ADMITTS NOTEBOOK
Mr. Justice Fisher ruled that all he would admit was material referring to the shooting being accidental.

Mr. Jackson stated there were two documents. Mr. Lowe added there was the personal notebook of the late Chief Syme, in addition to a general police book. Mr. Jackson replied the chief's personal notebook was kept under lock and key. Called to the stand, Chief Reston produced a brown paper parcel containing a small black notebook and a larger volume in the form of a diary.

From the small book, Mr. Lowe read: "At the city detective office, April 3. Chief Syme, Detective Inspector J. H. Rogers, C. L. Harrison and Police Matron Gillingham present. Mrs. Colebourne confessed to the shooting of her husband on the early morning of April 1. She said that she accidentally shot her husband owing to his cruelty of her."

BOOK NOT USED
Mrs. Colebourne covered her face with her hands when the entry was read. Mr. Lowe read no extracts from the larger volume in the parcel. He asked Chief Reston if he found any sheets of paper not in a book concerning the case. The chief answered in the negative. The court adjourned at 7:15 o'clock in the evening.

WILLIAM ANDERSON DIES AT RESIDENCE

The death occurred yesterday at the family residence, 3477 Douglas Street, of William Anderson, aged eighty-one years. He was born in Glasgow, Scotland, and had been living in this city for the past fifty-one years.

He is survived by his wife, Margaret Anderson, at home; four sons, William, Victoria, Thomas, Vancouver, and David and Robert in Victoria; two daughters, Mrs. Agnes Taylor, California, and Mrs. Joan Griffin, Victoria; one sister, Mrs. Mary Nathan, Victoria, and also five grandchildren. The remains are resting in Hayward's B.C. Funeral Chapel, and the date of the funeral will be announced later. It is requested that no flowers be sent.

ROACH POWDER FATAL

COLUMBUS, O., Nov. 2 (P.)—Roach powder, mistakenly used in cookie batter as baking powder, caused the deaths of two inmates and illness of fourteen others at the State Hospital for Feeble Minded. Superintendent F. L. Keiser said today.

PROMISES RAPID DEFENCE BUILDING

Continued from Page 1

after being scrapped following the Great War, could not keep pace with on eight-fold expansion of military manpower.

BEAR THE BRUNT

Mr. Hore-Bellah and Sir Samuel Hoare, Home Secretary, bore the brunt of the Government's defence during the one-day debate against attacks by Hugh Dalton and Herbert Morrison, of the Labor front bench.

Sir Samuel Hoare, Home Secretary, who now turns air raids precautions measures over to Sir John Anderson, regarded as an energetic, driving administrator, declared:

"This country can make as good a system of passive defence as any in the world."

"We are determined to make it effective, and to see that it can play its full part, with a substantial increase of the air force and a greatly increased system of anti-aircraft guns, so as to result of this triple effort we can go far to gain the insular security of this country."

OUTLINE SCHEME

Sir Samuel Hoare and Sir John Anderson outlined the new scheme, which will include a trench system to protect 1,000,000 people, a survey of the possibility of blastproof shelters for nearly every man, woman and child in the country, and a vast evacuation scheme, particularly relating to London, where by women and children would be moved to the safety of the countryside at the first warning of war.

Tomorrow the House will meet early for the prorogation proceedings, which include the Speech from the Throne, which will be read by a proxy for the King. The King will officiate personally at the formal opening of the new session next Tuesday.

The House of Lords adopted, by a vote of 55 to 6, a Government motion approving early application of the Anglo-Italian Peace pact.

Commons approved a similar motion last night, 345-138.

Sir Samuel Hoare, in the House of Commons, said Great Britain's system of air raid precautions, despite all its imperfections, would stand comparison with that of any country in the world, with the exception of Germany.

What Today Means

"SCORPIO"

If November 4 is your birthday, the best hours for you on this date are from 10:45 a.m. to 12:45 p.m.; from 2:45 to 4:45 p.m.; and from 8:45 to 10:45 p.m. The danger periods are from 8:45 to 10:45 a.m.; from 6:45 to 8:45 p.m.; and from 10:45 p.m. until midnight.

This ought to be an unusually good day for making friendly overtures, especially in the way of patching up misunderstandings. This should be a favorable time also for negotiating numerous types of commercial deals and forming new business affiliations. You may have to display your firmness of character by taking a definite stand if you feel someone is trying to take an unfair advantage of you. If you are being subjected to unjustified threats, it sometimes pays to bluff of the person making them. It will be good judgment this day to get a confirmation in writing of any agreement involving money. You must not be hesitant in pushing your interests or in signing your own name, but do it tactfully. Sociable gatherings probably will help you win somebody's influence that can help you in many ways. Married and engaged couples and those who feel an urge to marry will be wise not to use snap judgment in arriving at any conclusion this day.

If a woman and November 4 is your birthday, you may be too im-

petuous for your own good. You may find, in time, it is better to be considered overly conservative than to be classified as extremely radical. One of your gifts may be a high degree of versatility. Music, singing, painting, acting, writing or work of an artistic nature are apt to be among the best for you to engage in. You may have taken a long time in selecting a husband, but eventually you will consider it time well spent.

The child born on November 4 generally has an ideal childhood, an interesting youth and a prosperous future. This youngster is likely to surprise friends and relatives by the ease with which it will achieve success.

If a man and November 4 is your natal day, you may be rather reckless in expressing your opinion. Matters of a scientific nature should interest you. Books can be your best companions, and the knowledge you gain from them in all likelihood will turn out to your greatest asset. If an executive nature, as well as writing, acting, selling, manufacturing or banking may enable you to realize your ambition. (Copyright, 1938, by Bell Syndicate, Inc.)

Herbert Anderson Passes at Comox

COURTENAY, Nov. 3.—Herbert G. Anderson, former well-known Victoria resident, died at St. Joseph's Hospital, Comox, Monday, in his fifty-fourth year. He had been in indifferent health for some years, and last year was compelled to resign his position with the Provincial Public Works Department owing to ill-health.

Born in England, where he lived in Somersetshire and London before coming to Canada, he was for some years manager of the Balmoral Hotel, Victoria, until 1912 when he joined the Public Works Department. During the war he served overseas with the 102nd, which he joined at Prince Rupert, and was badly wounded during the taking of Regina trench. He rejoined the Public Works Department in 1928, and came to Courtenay in 1931.

Besides his widow, he leaves to mourn his loss two daughters, Betty and Joan, and a son, Richard, all at home; a sister, Mrs. A. H. Noble, Victoria; a brother at Toronto, Ontario, and relatives in England.

Funeral services were held on Wednesday afternoon from St. Andrew's Anglican Church, Sandwick, for interment in the adjacent cemetery. Rev. P. C. Chapman, vicar of Sandwick and Courtenay, officiated, and pallbearers were Fred Fild, V. Schlegel, D. B. MacMinn, A. Wong, Capt. T. P. Bailey and S. Watson.

How It Started
"CREOLE"—A MATTER OF GEOGRAPHY

Like morals, creoles are a matter of geography.

In Louisiana and its contiguous Gulf States, creoles are the white descendants of the original French and Spanish settlers.

Alaska, too, boasts its creole contingent, comprising the scions of Russian and Indian stock.

The Latin countries of South America also have a creole caste, whose only eligibles are those of unalloyed Spanish extraction.

Other locales, other creoles, the common requirement generally connoting nativity, race, good breeding and culture.

The English word "creole," identical with the French and Spanish form, may be a corruption of the Castilian "criadillo," in turn a diminutive of "criado," stemming from the Latin "creare," to create.

City and District

Cash Box Taken—The Royal Blue Line, 742 Yates Street, informed police yesterday that the fare box was stolen from a bus parked at Yates and Vancouver Streets.

Junior Chamber—A meeting of the Junior Chamber of Commerce will be held on Monday evening at 8 o'clock. The directors will meet this morning at 11 o'clock.

Real Estate Board—A luncheon meeting of the Real Estate Board of Victoria will be held at 12:30 p.m. today in the private dining-room of David Spencer, Limited. The report of the joint committee of the Chamber of Commerce and Real Estate Board will be presented to the meeting for consideration.

Boy Returns—Harry Brooks, fourteen, 447 Montrose Avenue, returned to his home Wednesday evening after having been taken by police since his disappearance on Tuesday afternoon. The boy's fourteen-foot rowboat containing clothing and provisions caused grave fears when found ashore at Oak Bay.

Sale of Land—The City Council Wednesday night adopted a report by the lands committee recommending the acceptance of a cash offer of \$300 for part of a lot on the east side of Rupert Street, between Southgate Street and Highway Avenue, reverted to the city in 1934.

Discussion Deferred—A summary prepared by D. A. Macdonald, city controller-treasurer, of the provisions of the Provincial Government's new superannuation plan was tabled by the City Council Wednesday night for consideration at a later date.

Approve Extension—A proposed extension by the British Columbia Electric Railway Company of the pole line on the south side of Songhees Street was approved by the City Council Wednesday night, on the recommendation of the public works committee.

Police Congratulated—Leonard Wilkes, Port Street, furrier, attended a meeting of the City Police Commission yesterday afternoon to offer his congratulations to the force on the success of its investigations in connection with a recent robbery in his store.

Presents Jubilee Petition—W. T. Straith, M.P.P., presented the petition for the private bill of the Royal Provincial Jubilee Hospital in the Legislature yesterday. The bill seeks authority for a change of name by the institution, and the right to set up trusts.

Report Relief Lists—Provincial relief lists for September were reported yesterday at a total of 31,677 individuals; of whom 11,723 were heads of families, 8,612 single men and 31,342 dependents. The list included 43,830 persons in direct relief categories and 7,847 welfare cases.

Ask Release of Men—Adam Smith Johnston, counsel for 143 single unemployed men arrested for begging at Vancouver, appealed to the Provincial Government yesterday for their release from provincial jail. Attorney-General Wimmer declined to comment on the application.

Authorize Repairs—Repairs and alterations to the police station heating plant, at an estimated cost of \$225, were authorized by the City Police Commission yesterday. A proposal to install an automatic heater was deferred until next year, for consideration with the estimates for 1939.

Seeks Water Service—In a letter considered by the City Council Wednesday night, Thomas Stoner, 2550 Vancouver Street, requested that a properly subdivided lot at twelve residential lots at View Royal should be connected with the city water main without charge.

UNEMPLOYMENT

Sir—I hope you will publish this letter of mine, which, though somewhat different from the usual, outlines a situation enjoyed by a great many in Canada.

It seems that an honest, Canadian-born citizen with a family, or otherwise, finds it practically impossible to find work of any kind in Victoria today. I am a native son of this city, twenty-eight years of age, with a fair education and good character. I have served in the militia for the past ten years with the 1st Battalion, 16th Canadian Scottish Regiment Pipe Band. In spite of this, however, I am, and have been for some time, one of that great army of unemployed.

I do not ask for a position—a soft berth with "day money"—but just a job, anything to keep my home together and provide myself and family with the things necessary to a reasonably comfortable existence. I know I am speaking for a great many thousands in this Canada of ours, when I say that there is something radically wrong with our present system of government which leaves so many of us, who are able and willing to work, walking the streets looking for something that appears to be non-existent—employment.

A. J. McMillan, 3301 Browning Street, Victoria, B.C. Oct. 28, 1938.

URGES CHURCH TO GIVE LEAD

Sir—Under the above heading Rev. W. G. Brown, acting Presbyterian Moderator, is quoted in today's Colonist to the effect that the world is rapidly heading into paganism.

He modifies his statement in the sentence "If we don't have a revolution on sound Christian lines we shall have one on anti-Christian lines," and emphasizes "the pressing need today for a fearless search for truth." We agree to a certain ex-

COULDN'T SLEEP COULDN'T WORK
What a relief to settle down to a real night's rest, and awake fully refreshed ready for the day's duties. I was tortured by fretful nights—tossing, turning—never comfortable. Half awake days—over-tired, driving body and mind to work when they needed rest. Try Dodd's Kidney Pills, and a friend. "I'm glad to say your kidneys I'm glad I followed his advice as now I'm sleeping like a top—thanks to Dodd's Kidney Pills."

PERSONAL ITEMS and SOCIAL HAPPENINGS

Ball Is Given For Hospital At Saltspring

SALTSRING ISLAND, Nov. 3.—Over 200 guests crowded the Mahon Hall, Ganges, on Monday evening, for the annual hospital ball, organized by the auxiliary of the Lady Kinto Gulf Islands Hospital. The dance chosen this year for the dance proved most suitable in every way, as it seemed to bring with it the spirit of Halloween and a sustained excitement, which lasted throughout the evening, during which Halloween favors were distributed.

The success of the dance was helped greatly by the generous efforts of the Victoria orchestra, which supplied the excellent music. Mr. A. J. Eaton acted as master of ceremonies.

HALLOWEEN MOTIF

Under the management of Mrs. A. B. Elliot and Mrs. F. Penrose, the decorations of the hall were carried out in "black and orange," with all the symbols suitable to the occasion arranged on the walls and other parts of the building. The orchestra-stage, curtained in black, was decorated with masses of autumn foliage. The lighting was effected by streamers of varicolored electric lights crossing and recrossing the ceiling.

After an exhibition of the "Lambeth Walk" by a few of the couples present, the popularity of the number asserted itself to the extent of numerous repetitions.

Supper, under the co-operation of the president, Mrs. G. J. Mout, and the secretary, Mrs. A. Inglis, assisted by members of the auxiliary, was served in the rooms adjoining the hall. The unique table decoration was a feature of the entertainment and had been done by Mrs. S. W. Hoole in a color scheme of orange, brown and yellow. Centering the large tables were small rustic logs, bordered with holes from which lovely autumn leaves, phyllis (Chinese lanterns) and yellow chrysanthemums emerged. Trails of the same autumn foliage were arranged artistically on the table, with orange-colored baskets for sugar bowls, cats and witches and other Halloween symbols.

PRIZE WINNERS

The winners of the spot dances were as follows: Miss Norah Turner and Mr. P. Lowther; Miss Gladys Shaw and Mr. William Shaw; Mrs. D. Crawford and partner. The old-time prize walk was won by Mr. W. Hague and Mr. Dave Pyrie. The prize for the best characterization of the "Lambeth Walk" went to Miss Ruth Stanfield and Mr. Kenneth Eaton.

A special prize, a year's subscription to the hospital was won by Mr. James Warner.

I.O.D.E. Activities

Cowichan Chapter

A well-attended meeting of Cowichan Chapter was held on Tuesday afternoon at the home of Mrs. P. H. Price, Duncan. Mrs. W. R. Russell, regent, was in the chair. The sum of \$2 was voted to postal education, and \$2 to the St. Sue Sorority Memorial fund. Arrangements were made for the chapter to attend in a body the memorial service on November 11, and a wreath will be placed on the Cenotaph. Plans were made for a party of welcome to newly-arrived children.

Witty Kitty

"As the clock flies" is a good line, it doesn't stop now and then for a little corn.

City Police Ball At Empress Hotel To Be Big Affair

MAYOR Andrew McGavin and Mrs. McGavin will lead the grand march at the twenty-fifth annual ball of the Victoria City Police in the Empress Hotel at 9 o'clock tonight. The event is under auspices of the Police Mutual Benefit Association, with the distinguished patronage of His Honor the Lieutenant-Governor and Mrs. H. B. Hamber, Premier T. D. Pattullo and his Cabinet Ministers, Mayor McGavin and police commissioners. Police departments of Greater Victoria, Vancouver and Seattle will also be represented. Special decorations will call attention to a quarter-century of successful police balls. Music will be furnished by a fourteen-piece orchestra. A limited number of tickets to the event are still available.

At Fairbridge Farm School, in which all other chapters in the district will be invited to participate. Two letters were received from newly-naturalized Canadians, thanking the I.O.D.E. for letters of welcome sent them. During the Empire study period, Mrs. D. A. Glavin gave a further review of the book, "Canada, the Pacific and War."

Malaspina Chapter

Malaspina Chapter, Nanaimo, raised a substantial sum for its worthy charities at a bazaar held recently in the Eagles Hall, which was officially opened by Miss E. Dobson. Many attractive stalls were freely patronized. The hall was lavishly decorated with autumn foliage. The conveners were Mrs. Earl Westwood and Mrs. James Hirst, afternoon tea; Miss Laura Campbell, cashier; Miss Anne Jackson, Miss F. Saunders and Mrs. R. Squire, fancywork; Mrs. R. C. Ingram and Mrs. S. H. Devlin, grab; Mrs. F. Rock, Mrs. A. M. Williams and Miss G. Williams, decorations.

Clubs-Societies

Catholic Women's League

At the monthly meeting of the Catholic Women's League, held in the Bishop's Palace on Wednesday, plans were made for the annual cathedral bazaar to be held on December 2 and 3 at the former Angus Campbell store, on Government Street. The fancywork stall and the dining-room will be under the convener'ship of the Victoria Subdivision. A rummage sale will be held at the former Angus Campbell store, on Government Street, under the convener'ship of Mrs. E. Hornsby, on Saturday, November 12. Hospital visiting for the month of November will be taken care of by Mrs. J. J. O'Brien and Miss E. O'Brien. In future the monthly meetings will be held on the first Tuesday of the month at 7:30 p.m. Instead of the first Wednesday as formerly. A card party will be held at Strawberry Vale Mission tomorrow, and on Tuesday, November 8, at the Lake Hill Mission, a bridge party will be held, to which members and friends are invited.

Langford Guild

Mrs. D. M. Duncan, diocesan president of the Women's Auxiliary of the Anglican Church, gave an interesting and inspiring address on "The Bible in a Modern World" at the regular meeting of St. Matthew's Guild at Langford on Wednesday afternoon. The meeting was held at the home of Mrs. A. F. Taylor, and owing to the absence of Mrs. H. A. Hinkel, Miss Savory, vice-president, was in the chair. The secretary was asked to write to Mrs. S. McMin, thanking him for fixing the church furnace. Plans were made for the Christmas silver tea and sale of work to be held on December 7 at the home of Mr. and Mrs. D. B. Bullen. The following conveners were elected: Tea, Mrs. R. J. Smith, Mrs. A. Cooper and Mrs. Seabrooke; work stall, Mrs. P. N. Welch and Mrs. C. Willard; home-cooking and candy stall, Mrs. A. B. Bown and Mrs. W. H. Goodman; Christmas tree, Mrs. A. P. Bayles and Mrs. Flindler. Rev. E. M. Yerbush closed the meeting with prayer.

Langford Girls' W.A.

An enjoyable and well-attended Halloween tea was held on Wednesday afternoon by the Girls' W.A. of St. Matthew's Church, Langford, at the home of Mr. and Mrs. Frank Smedley under the leadership of Miss B. Muttow and the president, Miss J. Seabrooke, and Miss Rose-

To Place Armistice Wreath

—Photograph by Pearl Freeman, London.

MRS. E. S. HASSELL

Formerly of Victoria, and now living in London, was provincial secretary for the Imperial Order Daughters of the Empire in British Columbia during and after the Great War. She is a life member of the order, and has been invited by the National Chapter in Canada to represent them on Remembrance Day, and is to place their wreath on the Cenotaph in Whitehall.

Many Bjulen, Halloween decorations and favors lent a festive air to the rooms, which were filled to capacity. Mrs. J. C. Nimmo played piano selections and Miss Elizabeth Welch contributed a contralto solo. Miss Hazel Baynes managed a work stall and a Halloween competition, which was won by Mrs. W. Alsford. Mrs. Dixon was the winner in a cake contest and Patsy Brown sold candy in gay orange and black wrappings. Tea was served by Miss Seabrooke, Miss Glenys Smedley, Cecil Temple, Doris Buckley, Mildred Staverman and Betty Baynes. Mrs. Smedley was thanked for her kindness in lending her home for the event.

Purple Star Lodge

Victoria Purple Star Lodge No. 104, I.O.B.A., met recently in the Orange Hall, Mrs. A. Edmonds in the chair, assisted by deputy mistress, Mrs. F. Halper. A shower for the bazaar will be held at the home of Mrs. P. A. Trowsdale, Wilson Street, this evening at 8 o'clock. After the meeting, court which was played, the first prize being won by Mrs. Joyce, second, Miss L. Harper, and third, Mrs. Ripley. The supper table was arranged with Halloween decorations.

R.A.O.B. Ladies' Auxiliary

The Ladies' Auxiliary of the Pride of Victoria Lodge, No. 4567, Royal Antediluvian Order of Buffaloes, held a Halloween whist and social party at the R.A.O.B. Hall, Langley and Yates Streets, which was a great success, all present expressing their delight at the beautiful decorations. Many visitors from Up-Island attended. Refreshments were served and the prize winners were Mrs. B. Ripley, Mrs. J. Day, Mrs. M. Ripley and Mr. J. Day.

Equinox League

The Equinox subdivision of the Catholic Women's League held its monthly meeting on Tuesday, with Mrs. Temple in the chair. Final arrangements were made for the bazaar, which will be held in the Queen of Peace Hall on November 16, and it is requested that donations for the needlework stall be sent in not later than November 13. A turkey drive has been arranged for December 12. Mr. and Mrs. P. Harris will be convener of the cards.

Wilkinson Road W.A.

There was a large attendance at the silver-tea and sale of work which was held on Tuesday afternoon at the home of Rev. William and Mrs. Allan, Glynn Road. A varied assortment of goods was on display, and in charge of the home cooking stall was Mrs. G. Jones, and fancywork was sold by Mrs. W. J. Jewell and Mrs. A. Allison. Refreshments were served by Mrs. Allan, assisted by Mrs. C. Fraser.

Typographical Union W.A.

The regular monthly bridge tea of the Woman's Auxiliary No. 65 to Typographical Union, was held yesterday afternoon in the S.O.E. Hall. The first prize was won by Mrs. W. C. Cave, second prize, Miss Douglas. The next card party will be held on Thursday, December 1, for the Christmas Cheer fund.

Theta Rho Club

The Beaver Theta Rho Girls' Club will meet this evening at 7:30 o'clock. All members have been asked to be present, as there will be the nomination of officers for the following term.

CHOIR REHEARSAL

Choir rehearsal of the Choral and Orchestral Union will be held tonight in the Memorial Hall at 8:30 o'clock. A special practice for the tenor section will start at 7:30. Full attendance will be appreciated.

Book Shower To Be Held By Chapter

It was decided at the monthly meeting of the Sir James and Lady Douglas Chapter, held yesterday afternoon at headquarters, that a book shower be held at the next meeting on December 1. The books will be divided between the Mairdale and Atache Schools, thereby presenting them with Christmas reading. Mrs. Pottinger, educational secretary, reported on the cost of sending books to the adopted schools of the chapter.

A donation was promised to help defray the expense of the door for the Girl Guide building, and a sum of money was voted for the Sir James Douglas and Burnside Schools to help furnish their libraries. I.O.D.E. calendars were distributed at the meeting.

Mrs. H. Goodfellow, general convener of the birthday tea to be held at the Empress Hotel on November 19, reported all arrangements well in hand, and Mrs. Bertha Parsons, programme convener, told the members of the splendid programme of entertainment being arranged.

The chapter voted its donation to-

wards the Municipal Red Cross wreath for Poppy Day. The \$10 wreath donated by the chapter will be inscribed by Mrs. R. B. McKinnon in memory of the departed soldiers, and Mrs. T. B. Monk will place the wreath on the war memorial.

Miss Lee, Echoes secretary, reported on the last Municipal meeting, and reminded the members of the Remembrance Day service to be held at the war memorial. She spoke of the part this chapter will take in the combined entertainment to be held by all the I.O.D.E. chapters on February 15 in the Armories.

EXPRESS SYMPATHY

The members opened the meeting with a standing expression of sympathy for Mrs. A. M. Pillar, standard-bearer of the chapter, and her daughter, Mrs. Johnson, Spokane, Wash., in the loss of Mrs. Johnson's husband, who was killed in a motor accident two weeks ago. The secretary was asked to write to Mrs. Pillar expressing deep sorrow for her and her bereaved daughter.

Mrs. A. S. Christie, regent, expressed regret that Mrs. Colin Cummings, past regent, was indisposed, and reported visiting her and voicing the sympathy of the chapter.

Mrs. G. R. Thomson and Mrs. W. Dunsmuir were welcomed as new members. The new members, who were told the members of the chapter, were hostesses at tea following the meeting.

Social Activities and Notes of Personal Interest

Social and Personal Engagement Is Announced

Hostesses at Tea

Miss Gladys Garesche, whose marriage to Mr. Charles Walter Cropp, Vancouver, will take place next week, was the guest of honor at a tea given yesterday afternoon by Mrs. A. K. Munro and her daughter, Miss Sandra Munro, at their home on Kings Road. Flame-colored dahlias were used in decoration of the hall, and while chrysanthemums were effective in the drawing-room. Tea was served in the dining-room, the table arranged with a satin damask cloth and central silver bowl of white chrysanthemums and silver leaves. A white wedding bell hung over the table. Corsage bouquets of pink and white carnations were presented to the guest of honor and to her mother, Mrs. A. J. Garesche, who presided at the tea table. Assisting in serving were Mrs. C. Lauder, sister of the bride-to-be, Miss Vida Shandley, Miss Isabel Munro, Miss Irene Paton and Miss Sandra Munro.

Halloween Party

A Halloween party was held recently at the home of Mrs. G. Gaetz, 1877 Forrester Street, for the W.B.A. Junior Rose Court members. During the evening games were played, prizes being won by Eileen Munro, Margaret Cameron, Molly Leiper, Kathleen Burnett and Bernice Griffin. The reception rooms were decorated with jack-o'-lanterns. The refreshments were served from a table arranged with Halloween decorations. Those invited were Misses Thya and Thelma Gaetz, Elaine and Doreen Coates, Hilda and Helen C. Jacques, Eileen Munro, Laura and Patsy Whitehouse, Molly and Gona Leiper, Dorothy Bohannon, Kathleen Burnett, Bernice Griffin, Pearl Townsend, Pat Tully, Shirley, Margaret Cameron, Carol Pomeroy, Pat and Connie Hensen, Lorna May Ritchie, Billy Gaetz and Bobbie Ritchie. Those assisting the hostesses with the refreshments were Thya and Thelma Gaetz, Hilda Jacques, Elaine and Doreen Coates.

Bridge Party Held

The Sir Matthew Baillie Begbie Chapter, I.O.D.E., held a charmingly-arranged bridge party yesterday afternoon in the south ballroom of the Crystal Garden, with eighteen tables of players. The regent, Mrs. P. Cunningham, welcomed the players and also the tea guests, who numbered about twenty. Mrs. J. E. Flack was convener of the bridge party and the prizes were presented by Mrs. Kyrie Symons, Municipal regent. To Mrs. W. F. Bridge and Mrs. Bert Wauke. Tea was served at the bridge tables. Mrs. Cunningham expressed her thanks to all who had patronized the affair and assisted in making it such a success.

Melchior Party

Mr. Terry McCreight, Mitchosin,

entertained a group of friends at his home on Monday evening. Miss Joy Osborne won the "treasure hunt," which was one of the amusing games played during the evening. Refreshments were served by Mrs. J. D. McCreight. The invited guests were Paula Jonas, June and Ruby Bickerdike, Ruth Beckingham, Faith and Joy Osborne, Norma Mutter, Beth and Gwen Ellwood and Bill Beckingham, John Mutter, Harry Bickerdike, Roy Edgar, Bob Gordon and Michael Jennings and John Houseman.

At Empress Hotel

Visitors to Victoria who registered at the Empress Hotel yesterday included Mrs. J. B. Hutchings, Queen's; Mr. and Mrs. C. W. Vevey, D. E. Rogerson, Winnipeg; Mr. and Mrs. E. H. Montfort, Melbourne; C. Baracos and family, Banff; Miss L. I. Binnore, Montreal; Mr. and Mrs. A. J. Kelly, William L. Best, Ottawa; Mr. and Mrs. G. E. Gude, Mr. and Mrs. H. Mackey, Mr. and Mrs. H. Elliott, Vancouver; J. E. Brownrigg, Pasadena; A. H. MacIsaac, Spence's Bridge, B.C., and A. Sutcliffe, Grand Forks.

Luncheon Party

Mrs. J. Nelson Gibson was hostess at a luncheon party at "Vindobona," George Road West, yesterday in honor of Mrs. Hugh MacEwing, Winnipeg, who is visiting her brother-in-law and sister, Hon. F. M. and Mrs. MacPherson, Newport Avenue. Covers were laid for eight at a table centered with a low silver bowl of pale pink and rose single chrysanthemums.

George Vale Club Party

The "ladies" committee of the George Vale Golf Club will hold one of its winter series of bridge parties in the clubhouse next Monday evening at 8 o'clock. Contract and auction will be played. Tables should be reserved as soon as possible with Mrs. C. H. Cross—G3173; Mrs. D. R. Hurdle, G5381, or the secretary, E6451.

Give Farewell Parties

Dr. and Mrs. T. A. Rickard will leave next week for California and Arizona, and expect to be away for several months. Mrs. Rickard was hostess at a farewell bridge and mah jong party yesterday afternoon in her home on Lamson Street, and will entertain another group of friends this afternoon.

Attends Synod

Rev. J. Lewis W. McLean, of St. Andrew's Church, has been in Vancouver this week attending the sessions of the forty-eighth Synod of British Columbia of the Presbyterian Church in Canada, which has been in session in Mount Pleasant Presbyterian Church in that city.

Make Presentation

Members of the Cymrodorion

MISS MARNIE WRIGHT

Mr. and Mrs. John E. Goldring, Beresford Place, announce the engagement of Mrs. Goldring's daughter, Marnie Esther Devovan Wright, to Lieut. Lionel William Besant Cooching, R.N., eldest son of Captain Charles Edward Cooching, Glasgow, Scotland, and the late Mrs. Cooching. The wedding will take place in the Spring, probably in England. Miss Wright is at present visiting in Bermuda as the guest of Commander and Mrs. Wilson, where the engagement is being announced today at a dinner given by the well-wishers of the bridegroom-to-be.

Society called in a body at the home of two of their members, Mr. and Mrs. Charles Dunn, Irwin Street, Nanaimo, and presented them with a beautiful old glass vase in honor of the thirty-fifth anniversary of their wedding.

Coffee Party

Mrs. R. W. Mayhew gave a coffee party yesterday morning at her home on Beach Drive in honor of Mrs. Hugh MacEwing, Winnipeg, who has been visiting her sister, Mrs. F. M. MacPherson, and leaves for her home today.

Wintering Here

Mrs. Alfred Spith, London, who spends each winter in Victoria at the Empress Hotel, arrived in the city yesterday and registered at the hotel.

Leaves for Hollywood

Mrs. Clifford De V. Macklin, Esquimalt, accompanied by her small son, James, left yesterday for a visit to her sister's home in Hollywood, California.

In New Home

Major and Mrs. R. G. Monteth have moved into their new home at 2272 Oak Bay Avenue.

Y.W.C.A. Notes

Members of the Junior Business Club enjoyed a delightful Halloween social at their meeting on Tuesday. At the next meeting Miss Helen Kirkwood will speak on "Japan." The Versatiles were fortunate in having a talk on music with appropriate illustrations by the guest speaker, Mr. Robin Wood. The Live Yers are getting under way under the leadership of the secretary.

The Senior Business Club has outlined an interesting program for now until Christmas, which includes the Preparation for Marriage Series and a courtship party on December 5. The new president of the Y-Owenia Club is Miss Kitty Cameron.

Hi-Y groups at the Y.W.C.A. on Friday evenings are steadily increasing in membership. Plans include a World Fellowship ceremonial on November 18. Members in Esquimalt Hi-Y group are enthusiastic about their newly-formed group which meets Tuesdays after school. Everyone is eagerly looking forward to the pot-luck supper to be held at the Y.W.C.A. on November 18.

The Senior Girls' Council will sponsor a World Fellowship tea on Sunday, November 20, when all girls of the department and their mothers will be welcome. A special program will be arranged and a guest speaker will give an address on the theme of that week. Further details will be announced later.

The Bike and Hike Club will hold its first bicycle outing on Saturday, starting at 2:30 o'clock from the Y.W.C.A. Members are asked to bring food with them. If the weather is unfavorable, a meeting will be held at the Y.W.C.A. to make plans for the season.

THE END

"You a Scotlandman, and you don't play golf?"
"Ay, I havena played for years."
"Why not?"
"I lost ma ball."

HOUSE TOLD NEW ECONOMY COMING

Continued from Page 1

continue to enjoy the social state we live in unless we change our economy. We simply cannot go on. It is all very well to say that the farmer is prosperous, the country is prosperous, but the formula is wrong. It should be the other way about; that when the country prospers, so will the farmer," Captain Bull declared.

He told of discussing social credit with people in his constituency, and of their change of heart in the last two years. The next election, he predicted, would be fought on the definite promise of social reform. The speaker, G. G. McGeer, K.C., and Hon. Dr. R. J. Manion had all spoken on economic reforms. For himself, he believed in the principle of social credit, but thought it was "absurd to take it up on a provincial basis."

CREDIT

"If this thing comes about, money credit will be made available for all public works, for all necessities, but not for private gain. If this thing comes about, as it will come about, we will have the ability to make use of our credit to the best advantage in a completely business-like manner," Capt. Bull continued. "There are unlimited funds available for war, or for the threat of war; therefore, why not unlimited funds to provide that greater security which is to prevent war. I think this new economy will be in use within a year or two. The 100,000,000 Federal works plan is a sign of the things to come," the member for South Okanagan declared.

Elsewhere in his remarks Capt. Bull championed the Empire trade agreements, and told what their operation had meant to the Okanagan. The Provincial Government, he said, was alive to their benefits, and had made representations to Ottawa, at that connection. At the same time, if the larger prospect of concurrence on trade and other matters between the United Kingdom and the United States was at stake, some sacrifices might have to be made in the common cause.

Capt. Bull described what he said was a campaign for the exclusion of Orientals in British Columbia, and likened it to Jew-baiting in Europe. The Japanese, he said, were not Britain's allies in the last war, and had done nothing to upset the gentlemen's agreement with Canada as to immigration.

The member for South Okanagan referred to his own proposal for the relief of unemployment, which he said was the provision of a programme of public works for all who were ready to do an honest day's work, and the making available to the provinces of Federal loans, to be repaid within Canada either on an interest-bearing basis, or otherwise. Only with a new economy would this be possible, he declared.

LESIE H. EYRES, M.P.P.

Mr. Eyres, Conservative member for Chilliwack, gave a graphic description of affairs in his own riding, and launched into his major theme, the development of domestic markets for farm products in this province. Despite marketing legislation, the farmers were not receiving adequate return for their labors, while a large and unfilled domestic market went neglected.

In the fiscal year 1936-37, \$1,095,000 worth of swine had been produced within the province, and \$2,000,000 worth imported. Beef production internally had been \$3,463,000, with \$1,700,000 worth of carcasses imported in the same year, exclusive of importation of canned meats and cured meats worth more than \$2,000,000. With a \$12,000,000 dairy industry, the province had exported \$78,834 worth of dairy products that year, but had imported \$3,106,000 worth, of which imported butter accounted for \$2,000,000 alone.

Canned meats and cured meats could be manufactured as well in the province. Surplus dairy products could be turned into exportable commodities. Reduction of freight rates on milk feed and course grains, if secured, would permit increase in the home production of cattle, swine, sheep and poultry.

In the domestic market lay vast potentialities undeveloped, Mr. Eyres continued, urging attention by the Provincial Department of Trade. Against total farm production worth some \$50,000,000 in 1936-37, British Columbia had imported commodities worth \$16,979,000. This, he said, was "not good enough," and explained, in part, the plight of the British Columbia farmer.

Closing an effective speech without partisan bitterness, Mr. Eyres urged specific highway projects, and warned against the danger of floods in the Vedder River diking system unless action were taken by dam construction or otherwise. With nearly \$6,000,000 collected from motorists in a year, people were entitled to some assurance their roads would be kept up, he concluded.

E. T. KENNY, M.P.P.

Mr. Kenny endorsed the Page-Croft plan of assisted British immigration, and said the Province had everything to gain and nothing to lose by going fully into the scheme. If idle acres in the Province were not settled with British stock, there would be no security on the Pacific seaboard of the Empire. Under the plan, with \$25,000,000 to be made available in Great Britain, families would be firmly settled, or else repatriated inside three years. The administration had been attacked on the ground of want of

P-T A. Activities

The Lake Cowichan Association sponsored a Jolly Halloween party at the Community Hall on Monday night for the young people of Lake Cowichan, which was under the supervision of Miss Beth Mus and Mr. E. Witt. A large number of parents and friends were present, and the fancy dresses of the young people caused pleasing comment and amusement. The early part of the evening was spent in jolly games, after which the children paraded before the judges, Mrs. G. H. Findlay, Mrs. Gordon Clarke, Jr., and Mr. Edwin R. Carnell, who had difficulty in deciding many of the prizes having to be duplicated. The awards were as follows:

Senior Girls—First prize, "Cigarette Girl," Eileen Mitchell; second prize, "Witch," Greta Johnson; comic, "Romping Twins," Marie and Pat Bailey.

Junior Girls—First prize, "Fairy," June Eckert and Helen Ballman (duplicate); second prize, "Seamstresses," A. Boyd and Peggy Mitchell (duplicate); third prize, "Spanish," Sheila Boyd; comic, first prize, "Witch," Margery Randall; second prize, "Tramp," Irene Johnson.

Junior Boys—First prize, "Cowboy," Lenard Tiesu; comic, "Clown," Ronald Neilson; novelty, "Rower," Jackie Saywell; planning tail on donkey, Yvonne Wavell.

A tap dance was given by June Eckert and Helen Bateman. Mr. Witt presiding at the piano.

Supper was served. The prizes were presented by Mr. Witt.

Great credit is due Miss Mus, Mr. Witt, Mrs. W. F. Grossbeck, Mrs. P. Reed, Mrs. Arthur Howe, Mrs. D. M. Boulton, Mrs. A. Boulton, and many other ladies of the P-T-A, who so ably assisted in making the affair a success.

NANAIMO BALL

The Hay Seed Ball, sponsored by the Kinsmen Club, Nanaimo, drew 800 dancers to the Pymy Pavilion, Nanaimo, on Wednesday evening. Approximately \$200 was raised for the club's worthy charities, and the function proved one of the smartest dances of the season.

The pavilion was decorated to represent a barnyard and red-faced farmers and farmettes in suitable attire added a realistic touch. There were contests, and rural tunes were played by the orchestra. A "big apple" competition proved unique and interesting.

Judges were Mr. and Mrs. Geoffrey Yates, Mr. and Mrs. James Curran, Mr. Frank Kilner, Miss Grace Model and Mrs. Madge Grey.

Women's Institutes

COMOX

The monthly meeting of the Comox Institute was held in the rooms on Tuesday. Mrs. Carson was in the chair. Mr. W. D. Todd spoke on the subject of "Coal," pointing out the enormous quantity used in a province rich in the finest steam coal. He urged all Women's Institutes to send resolutions to Ottawa at once, dealing with this matter. The Comox District Institute stands in the middle of a very rich steam coal district. He also pointed out that much raw material in the form of logs is shipped to Japan at a great loss to the industries of British Columbia. Mr. Todd was asked to send the Institute the draft of a resolution which could be put before the members at the December meeting, with the idea of forwarding such a resolution to Ottawa. The financial report showed a satisfactory balance in the bank. Social service reported seven parcels sent to Menominee children, who had been provided with rain hats and coats by the generosity of Lavers, of Courtenay. A letter from England came to the link secretary from an Institute in the Walsall district, telling of preparations for war conditions. It was decided to arrange a bridge drive on a large scale in conjunction with other organizations in town, for the benefit of the war fund. The date to be arranged later. Mrs. Pickett, Comox secretary, asked for sanction to discontinue business

meetings at the Comox branch of the Institute. The members at Comox will attend the Courtenay business meetings and will hold only "social" afternoons in Comox. The secretary of the Courtenay Institute will forward a copy of the minutes of each meeting for reading at Comox. Mrs. Harvey, who will leave for England on November 19, wished the members a successful election of officers and thanked them for the lovely flowers she had received during her recent illness. Nominations for election of officers in December followed. Mrs. Walter Brown offered her home for a bridge party, to take place on Monday, November 14.

BRENTWOOD

The bridge party sponsored by Mrs. J. J. Young and Mrs. K. Perrier, held at the Brentwood Institute Hall on Wednesday evening, realized \$20, which will go towards the poppy fund. Fourteen tables were in play, the winners being Mr. W. Olsen, Mr. G. Manzer, Mr. and Mrs. H. Andrew, Mrs. E. Leigh and Mr. George Maynard. Special prizes were won by Mrs. J. J. Young, Mrs. K. Perrier, Mr. Manzer and Mr. G. Dield. The trip was won by Mr. Olsen. After the game, refreshments were served by the hostesses.

SOUTH SAANICH

The South Saanich Institute will hold a five hundred card party at the Temperance Hall, West Saanich Road, on Monday evening. A woolie will be held at the ball on Tuesday by the institute members.

confidence, the Member for Skeena continued. Provincial bonds, however, were at a premium today, compared with their standing on the open market in 1933. Five per cents had increased from \$92 to \$100.75; sixes from \$99.50 to \$105.25; and certain issues of four and half per cents from \$84 to \$97.25, a result, he said, that spoke for itself.

Mr. Kenney urged the administration to return to its policy of "work and wages," as promulgated in 1933. Had the Dominion accepted the plan then, misery would have been avoided across Canada in the intervening years. The Dominion Government should now be urged to "do their duty." He advocated upward revision of rural teaching salaries; the closing of a gap of twenty-six miles of road in Prince Rupert Riding; and the addition of a mineral assayer at the ore sampling plant in Prince Rupert City, in conclusion.

MARK CONNELLY, M.P.P.

Mr. Connelly complimented the administration on progress made with roads in Okanagan riding. Motorists, he said, would soon be able to drive from Pelly Forks to Vancouver on Provincial highways. He advocated that the speed of trucks on the Cariboo Highway be

BOSTON AND CHICAGO WIN OPENING HOCKEY GAMES

LAST PERIOD GOALS GIVE BRUINS GREAT VICTORY OVER LEAFS

Clapper and Portland Break Through for Tallies To Decide 3-2 Battle at Maple Leaf Garden Before 10,000 Fans—Crowd of 15,842 Watch Hawks Trim the Amerks, 6-1

TORONTO, Nov. 3.—A powerful Boston Bruins defence tonight headed their attack as they downed Toronto Maple Leafs, 3-2, in the opening game here of the National Hockey League. All Boston goals were scored by rearguards.

Minus two of their star performers, the burly Bruins earned their win before 10,000 fans. Frank Brimsek, youngster up from Providence Reds, performed well in filling the shoes of Tiny Thompson, injured first-string goalie. Jack Crawford, Toronto youngster who replaced the great Eddie Shore, who held out, scored the first of his team's markers.

Prior to the face-off, Hon. Albert Matthews, Ontario's Lieutenant-Governor, presented Gordon Drillon, Leaf winger, with the Lady Byng Trophy. The former Montreal, N.B., star, who led the league in scoring last season and received only four minutes in penalties, was voted the most sportsmanlike player in the NHL.

The first period was scoreless. Crawford's goal came midway through the second, but was soon smothered by Syl Apps, who scored from close in on a play with Bob Davidson. Later in the period, Apps collided with Cowley and received a cut on his forehead that required two stitches. Buzz Birtles suffered a knee injury in the second session and retired for the balance of the contest.

LEAFS IN LEAD

Davidson shot the Leafs into a 2-1 lead after only seventeen seconds of play in the third period, but before three minutes had elapsed, Dill Clapper, evicted the contest, remained for another of Boston's husky defencemen, Jack Portland, to play the hero role. He fired past goalie Turk Broda with less than seven minutes of play remaining.

SUMMARY

First Period—No score.
Second Period—1, Boston, Crawford (Gillie, Cowley), 10:05; 2, Toronto, Apps (Davidson), 11:40. Penalties: Cowley, Hamilton, Clapper (2), Kampman.

RECORD CROWD

CHICAGO, Nov. 3.—Chicago Black Hawks, displaying a scoring force they seldom showed on their way to the Stanley Cup last season, crushed the aged New York Americans, 6-1, tonight in one of the National Hockey League season's inaugural games.

The world champions played before the largest opening game crowd in Chicago's hockey history—15,842 spectators. They tallied twice in each period to exceed by one goal the total number of times they scored on the Americans throughout the regular 1937-38 season.

Cully Dahlstrom and Johnny Gottselig, with a goal apiece, put the Hawks out in front in the first period. In the second Art Wiebe scored unassisted, and Roger Jenkins tallied with a teammate in the penalty box. Mush March and Baldy Northcott whipped in Hawks' goals in the third, with Hooley Smith scoring the lone New York goal with help from Art Chapman and Dave Schreiner. Only stellar work by goalie Earl Robertson in the American net kept the Hawks from further scoring.

Before the game, Manager Gabby Harkness, of Chicago Cubs baseball team, made a formal presentation of the Stanley Cup, emblematic of world hockey supremacy, to his longtime friend, Manager Bill Stewart, of the Hawks, who also is a National League umpire.

Officials—Donnie McPadden, and Ag. Smith.

BAYS TACKLE NAVY SQUAD; TEAMS NAMED

Provincial Rugby Champions Switch Line-Up for Saturday's Game

Still smarting under the 16-3 trouncing they received last week at the hands of the Oak Bay Wanderers, Manager Bob McInnes' J.B.A.A. rugger will be out to regain lost prestige tomorrow afternoon at Macdonald Park. Drawn against the Navy in the third round of the Barnard Cup series, the oarsmen have visions of avenging their one-sided setback at the expense of the sailor warriors from Esquimalt.

Disqualified with the showing of their proteges in the last match, Manager McInnes and Coach Butler, the Bays' "brain trust," went into a huddle and made some changes in their line-up for Saturday's game. Frank Doherty, stellar forward, will be in uniform for the first time this season, and Cyril Doherty, backfield player, has been moved up to the pack. Lucas, former College three-quarter, will perform on the right wing.

Navy, also beaten by the Oak Bay fifteen in their initial Barnard Cup clash, will be out to check in with their first victory in the city championship series. The bluejackets have had a number of good workouts, and if condition means anything, the sailors will certainly make things interesting.

MARGIN IS SAME

Followers of the sailor fifteen point out that the Bays were only able to score three points against the leaders, while the Navy collected nine. The margin of victory, however, was the same in both instances. Wanderers defeating the oarsmen, 16-3, and the bluejackets, 22-9.

Billed on the upper field at the James Bay enclosure, the Navy-Bays encounter should be the feature match of the week-end Rugby programme.

On the lower pitch the undefeated Oak Bay Wanderers will oppose the Garrison. The Wanderers will rule favorites here, but must not underestimate the strength of the Army forwards.

One change has been announced in the Oak Bay line-up. Groff Murdoch coming into the backfield in place of Coach Joe Roberts, who will view the game from the sidelines.

In the only intermediate league fixture on the schedule the Canadian Scottish will battle Victoria College at the High School grounds. Showing marked improvement in their last two starts, the millikmen should provide excellent opposition for the students from the Craigdarroch Institution.

Wanderers have a bye in the league schedule and will journey to Shawinigan Lake to meet the school fifteen.

All matches will commence at 3 o'clock.

Teams follow:

Oak Bay Wanderers (Seniors): Grogan, Brown, B. Murdoch, Carney, G. Murdoch, Barber, Anderson, Forbes, Colthurst, Gornall, Dowell, Stephens, Ley, Acland and Guelphs.

J.B.A.A.—Ferguson, Bridge, Halkett, Smith, Lucas, Langdon, Brown, Mair, Petticrew, Bray, Andrews, P. Doherty, Simpson, Dairrell, C. Doherty and Leighton.

Navy: Mylrea, Stirling, Selban, Sweet, McDonald, Smith, Cozier, Manfield, Nelson, Fisher, Banfield, Rutherford, Young, Fears, Sealey and Lowe.

Garrison: Hatch, Hipwood, Venus, Polinsky, P. J. Ford, Cockill, B. Ford, Featherstone, P. Pocock, Carson, J. D. Wood, Buxton, Martin, D. Wood and S. J. Pocock.

Canadian Scottish (Intermediates): Jones, Martin, Mair, Oddy, Williams, Seaton, Bishop, McMillan, Holmes, McDonald, Holland, Clark, Garton, Garton, Sorenson, Malcolm, Painter and Luston.

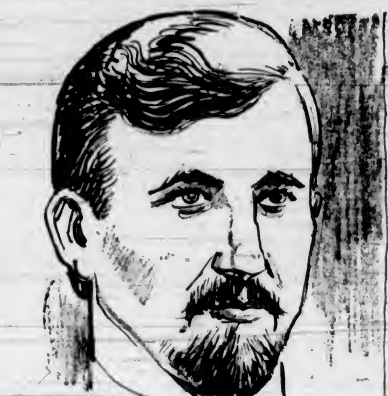

Oak Bay Wanderers (Intermediates)—Corcoran, Palin, I. McDonald, Page, Clarke, Brodigh, Davies, Boate, Murdoch, Kennedy, McKay, Sparks, Davey, Turner and Morrison. Players are asked to meet at the Oak Bay Theatre at 1:30 o'clock.

INTERMEDIATE GAMES BILLED FOR SATURDAY

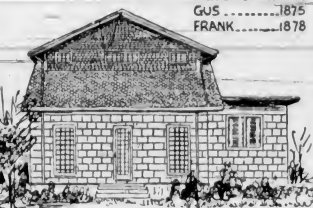

Two matches are scheduled in the Intermediate Football League for Saturday afternoon. Secretary Fred Oliver announced yesterday. At Beacon Hill Park, Camerons will meet Young Liberals, with Edgar Borde as referee, and at Central Park Caves will clash with the Longshoremen, with Frank Saunders in charge. Both games will start at 2:30.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

Singshot Charlie—Charles Taylor is a guide for hunters and fishermen at Reeffoot Lake, near Tiptonville, Tenn. He is so expert a marksman with a slingshot that he has been seen to shoot a duck on the wing and to duplicate the feats of firearms experts.

Weight of Vinegar—By actual experiment it was found that a gallon jug of vinegar (4 per cent acetic acid) weighed 13 1/4 ounces at 80 degrees Fahrenheit and 13 1/2 ounces at 40 degrees. The one-ounce difference is accounted for by contraction of the vinegar at the lower temperature so that the jug held slightly more vinegar in winter.

Please address all queries to Cartoonist Ripley, c/o King Features, New York City, N.Y.

ANNUAL GOLF MEET CARDED

Ex-Servicemen Will Tee Off In Annual Event on Armistice Day

Shotmakers who traveled over the battlefields of France during the Great War will march over the fairways and greens of the Uplands Golf Club on Armistice Day, November 11, to compete in the annual tournament for overseas ex-servicemen. In announcing plans for the big meet, Dave Hurdie, who is in charge of the publicity, stated that approximately 120 golfers from all walks in life will be competing in the eighteen-hole event under full handicaps.

This year officials are putting a limit to the number of tickets for sale and have placed the list at 120 and no more. Tickets are now available and may be secured from the following: J. G. Smart and Dave Hurdie, Gorse Vale Club; Walter Gravin, Uplands Club; Louis Gilman, Colwood Club; Freddy Burns, Macaulay Point Club, and W. C. Merston, Oak Bay Club.

BANQUET ARRANGED

Play will commence at 1 o'clock with half the field teeing off with the first and the rest from the tenth tee. At 6 o'clock the annual banquet will be held in the clubhouse, at which the presentation of prizes will take place. The committee has arranged for the distribution of song sheets, the same as used as the reunion held recently in Toronto. A fine musical programme has been set. Dugoffs will be placed at various points around the course and the competitors will have the opportunity of calling time out about four times during the eighteen holes.

PIMLICO RACING

PIMLICO Nov. 3—Results here

TODAY FOLLOW:

SECOND RACE—Six furlongs
No Endless (Westrop) 111 20 17 20 4:50
Die (Dupper) 111 20 17 20 4:50
Johnny (Wilder) 111 20 17 20 4:50
Time, 1:12.25. Also ran: Chainwork, Tinkles, Tremble, Renour, Orama, Crocker, and Mrs. M. Smith.

THIRD RACE—Five furlongs
Paradise (McKinnis) 111 20 17 20 4:30
Mittie (Clements) 111 20 17 20 4:30
Bessie (Roberts) 111 20 17 20 4:30
Time, 1:07.45. Also ran: Jolie Knight, Best Blue, and J. J. Smith.

FOURTH RACE—Six furlongs
Our Ketchum (Westrop) 114 90 11 30 5:20
Billings (P. A. Smith) 111 20 17 20 5:20
Zonera (Wall) 111 20 17 20 5:20
Time, 1:45.24. Also ran: Pt. Bull, Baylake, Underhill.

FIFTH RACE—Five and seventy yards
Grasscutter (Richards) 111 20 17 20 5:10
John (O'S) 111 20 17 20 5:10
Time, 1:45.24. Also ran: Transmitter, Fair Company, Pretty Pet, Brown Mole.

Derby County To Meet Preston Side In Feature Tussle

First Division Leaders to Take On North End Eleven—Sunderland Makes Bid for Frank O'Donnell—Queen of South Faces Hearts In Main Match in Scottish League

LONDON, Nov. 3.—Derby County's prospects of retaining English Football League leadership on Saturday appear bright. Holder of a two-point margin over Preston, the County plays Preston North End, English cupholder.

Manager George Jobey's policy in developing young players has exceeded expectations as ten of thirty-four professionals on the Derby roster are not more than seventeen and provide a wealth of talent to bolster more experienced players.

Ronald Dix, inside forward in his early twenties, scored two goals for the English League against a Scottish League eleven. Dix and D. J. Ashley, Welsh International centre forward, make a formidable pair in the country's drive for the championship.

Everton's slip against Leicester City, a week-ago sent Derby into undisputed leadership with twenty points. For its battle with Middlesbrough, Saturday, Everton is fielding the eleven unbeaten in the first eight matches of the season.

Sunderland this week offered Blackpool £18,000 (£18,400) for Frank O'Donnell, Scottish International who joined the Seaside's last year from Preston. It is understood the bid was refused. Meanwhile William Agar, local amateur, has been signed.

John Henry Lewis Confident of Win Against Champion

Light-Heavyweight Titleholder States Then He
Will Take Crown From Joe Louis When They
Meet on January 27—Gate Receipts Are
Expected to Be Near \$100,000 Mark

NEW YORK, Nov. 3 (AP)—Joe Louis, the heavyweight champion, and John Henry Lewis, recognized as light-heavyweight ruler everywhere except in New York State, met at Promoter Mike Jacobs' office here today and ironed out details of their fifteen-round fight at the Garden on January 27.

The pair, who will be the first to meet in an all-Negro heavyweight championship fight in United States, did everything except sign the official contract. They will attend to that on November 25.

Meantime the New York State athletic commissioners want to speak to John Henry, who recently threatened to sue Mike Jacobs for money because they vacated his 175-pound title. John Henry undoubtedly will assure the commissioners he was only fooling.

Louis will receive 40 per cent of the gate, which should run around \$100,000, and John Henry will get 17 1/2 per cent. John Henry had to agree to fight exclusively for Mike Jacobs for five years in the unlikely event he beats Joe.

Herman Taylor, the Philadelphia promoter, showed up at the meeting claiming he had advanced Lewis that amount last summer when the Negro was preparing for a scrap with Tony Galento. The fight was held because Galento contracted pneumonia. Taylor got his money and said some unkind words about John Henry running out on a "gentleman's agreement."

DERBY COUNTY TO MEET PRESTON SIDE

Continued from Page 10

After several weeks' absence through injuries, Doherty and Herd return to Manchester City for its Second Division match against Tottenham Hotspurs.

Newport County, pacemaker in the Third Division, Southern Section, meet Brighton. In the Northern loop Barnsley is fighting to regain Second Division status after one season among the junior clubs. The team is away to Carlisle United.

SCOTTISH LEAGUE

GLASGOW, Nov. 3 (AP)—Celtic and Rangers, joint leaders of the Scottish Football League, appear to have easy tasks on Saturday, but other contests find closely-matched teams battling for points.

Queen of the South opposes Heart of Midlothian at home in the outstanding match. A week ago the clubs were tied for third place behind the Glasgow squads, but while the Dumbfries team overcame Kilmarnock at Palmerston Park, Hearts fell to Queen's Park.

With nineteen points, Queen of the South trail the Celts and Rangers by one point and will fight to maintain a challenging position. The Southerners, although weak in attack, have a splendid defence that should hold Tommy Walker and Art Black, Hearts noted international forwards.

Rangers are away to Albion Rovers, who have cleaned only six times to date, and Celtic is opposed in Glasgow by Ayr United.

Clyde and Motherwell, tied with Hearts in the league title, both play on foreign soil. The former meets Queen's Park at Hampden Park. Motherwell may find Patrick Thistle a handful.

Few critics favor Aberdeen against Hamilton Academical, although the game is being played on the Dons' ground at Pittodrie Park. Hibernians and Falkirk, two closely-matched clubs, meet on the former's enclosure in Edinburgh.

Cowdenbeath's 1-0 victory over East Fife, Scottish cupholder, last week-end put them in front in the Second Division. They face another hard battle on Saturday, opposing St. Bernards in the Scottish capital.

CAMPBELL RIVER, Nov. 3.—Prompt action on the part of twelve-year-old Willie Dawson, son of the late Corporal Dawson, British Columbia Provincial Police, averted a possible burning fatality here on Sunday.

Clarence T. Zeigler, well-known local resident, was repairing a gasoline lamp at his home when without warning it exploded, spraying burning gasoline over his clothes.

Willie, who was standing nearby, ran for some water and drenched the unfortunate man, who was vainly trying to beat out the flames.

Mr. Zeigler was taken to Lourdes Hospital, where he was reported to be progressing satisfactorily.

RUSSIAN CHOIR WILL BE HERE NOVEMBER 14

Victorians who heard, two years ago, the marvelous art of Russia's famous singing horsemen of the steppes, and those unfortunate enough to miss this superb musical, thrill, will be delighted to know that another exciting experience awaits them, for on Monday, November 14, this celebrated chorus will again be heard in the city at the Empire Theatre.

Their songs range from sacred music to gay folk ditties, dramatic war songs and the comedy and tragedy of everyday life. At the end of the singing, the extraordinary dancers with the company exhibit the whirling dances peculiar to Russia, danced to the singing accompaniment of the choir, who stand by urging their fellows to even greater speed and eccentric movement.

AROUND THE AI

4:30 p.m.—President Franklin D. Roosevelt, speaking in the capacity of "a voter of New York State," will be heard. It is also expected the United States Chief Executive will also consider issues of national significance. KJH, KGO.

7:15 p.m.—A special broadcast in connection with the annual Poppy Day campaign will be presented. CBR.

8:30 p.m.—The life story of Sequoia, the Indian for whom California's giant redwood trees were named, will be told by the Old Ranger during the "Death Valley Days" programme. KOMO, KFI, KPO.

9:00 p.m.—"Northern Messenger" service will be resumed today when the C.B.C. will carry strong signals with personal messages to people living in Northern Canada and the Arctic Archipelago. CBR.

Seek to Identify Amnesia Victim

VANCOUVER, Nov. 3.—Working on the slim clue of what is believed to be an insurance number, Detective Frank White, of the missing persons bureau, continued his investigation today of the "mystery man" who walked into the police station Tuesday and said that he had lost his memory.

One Vancouver resident told police he believed he served overseas with the amnesia victim, but could not remember the man's name. He said he thought the man was a resident of London, Ontario.

NEW SEASON'S CHRISTMAS CURRANTS, RAISINS, PEEL, CHERRIES AND MIXED FRUIT ARRIVING FRESH ON EVERY BOAT

National Colors Will Be Used in Street Lighting

present decorative lighting in the city is to be rearranged before the visit of Their Majesties King George and Queen Elizabeth next year, according to an announce-

ment made by Alderman W. H. Davies, chairman of the civic celebrations committee, yesterday. In place of the present system of red, yellow and green lights, it is proposed to change to the national colors, red, white and blue arranged in such a manner that the effect, when looking down each street, will be that of an illuminated strip of bunting. It is hoped, if sufficient funds can

be secured to treat the cluster lights in the same way, replacing two white globes with a red and a blue. The present red and green lights will be used in the various decorative arches to be placed along the route of the Royal procession. Victoria's decorative lighting scheme occasioned much favorable comment from tourists during the past Summer, and greatly enhanced the festive appearance of the shopping district last Christmas. It is expected that the lights will shortly be turned on for the approaching Christmas season.

TRAFFIC SAMSON

Douglas—"My father is a policeman."
Dave—"Is he strong?"
Douglas—"I'll say he is! He holds up the buses with one hand."

A New Permanent!

Fall parties and dances demand perfect grooming from the tip of your toes to the top of your head. Make sure of your permanent by coming to The Avalon for one of the new Fall styles.

BLACK VELVET EVENING WRAPS

Wonderful Value at

\$25

It's amazing how gay you feel in a floor-sweeping wrap of black velvet that moves like music—and no wardrobe is really complete without one.

These have clever white lapin collars and are lined with white satin... also an interlining which makes them cosy and comfortable.

Several different styles are shown... types suitable for both misses and matrons.

A small deposit will hold the wrap you select. Sizes 14 to 20.
